step that he takes Apart from having a string of wonderful adventures read how Shaun is stalked by a weirdo in Crete before being ripped off by a taxi driver in Milos and how he is left to avoid a bunch of marauding pickpockets in Tinos Aside from all the wonderful people Shaun meets on his island hopping extravaganza our intrepid traveller also befriends a beautiful woman on the island of Leros before moving on to finish what he started With each glorious island being so different from the next it is no wonder that Shaun is already planning to traverse another 50 Greek Islands in the not too distant future
