Arthur James Wells

A Practical Approach To Conveyancing Africa Policies For Prosperity:

Conveyancing Tom O. Ojienda, 2008 Conveyancing Principles Practice provides a succinct understanding of the historical and philosophical background of land law and conveyancing in Kenya a thorough grasp of the legal framework and a simplified concise exposition of the processes and formalities that precede the legal transfer of land It combines a technical understanding of complex legal phenomenon with some critical awareness of the broader values and preferences which inform the law The book is alive to the fact that land law and conveyancing impinge upon a vast area of social ordering and expectations and exert a fundamental influence upon the lifestyles of ordinary people Most importantly Conveyancing Principles and Practice is designed along the new Advocates Training Programme as a core text for students of conveyancing legal practitioners real estate investors estate agents commercial and banking institutions auctioneers Government departments and the citizenry
