Conflict Among Rebels Costantino

Pischedda, 2020-11-24 Why do rebel groups frequently clash instead of cooperating against their shared enemy the state This pattern occurs in conflicts around the world yet it flies in the face of common notions of strategic logic Weaving together insights from international relations theory and the study of ethnic politics Costantino Pischedda presents an original theory to unravel the puzzle of inter rebel conflict Examining the dynamics of civil wars in Iraq Ethiopia Lebanon Sri Lanka and Syria Pischedda argues that infighting is a calculated response by rebel groups to perceived opportunities and vulnerabilities Conflicts break out between groups when one sees the potential to eliminate weaker rivals at a low cost or fears the deterioration of its power relative to a competitor and embarks on a desperate gamble Counterintuitively Pischedda finds that rebels sharing an ethnic identity are especially prone to violent conflict as they see each other as both potential existential threats and enticing opportunities for expansion Since coethnic rebels aspire to control the same community their antagonism is stark and immediate In addition insurgents expect to be able to draw on the resources of defeated rivals from the same ethnic group more easily than they could on those of outsiders Marshaling a range of data Pischedda s mixed methods study features original interviews conducted with former insurgent leaders The first book length examination of inter rebel fighting *Conflict Among Rebels* sheds new light on a key question of civil war dynamics why the enemy of my enemy is not always my friend

A Modern History of the Kurds David McDowall, 2004-05-14 In this detailed history of the Kurds from the 19th century to the present day McDowall examines the interplay of old and new aspects of the struggle the importance of local rivalries within Kurdish society the enduring authority of certain forms of leadership and the failure of modern states to respond to the challenge of Kurdish nationalism Drawing extensively on primary sources McDowall s

book is useful for all who want a better understanding of the underlying dynamics of the Kurdish question *Kurdish Studies - Volume 8 Issue 2 - October 2020* Marlene Schäfers, Metin Atmaca, Ronay Bakan, Hazal Hürman, Michael Knapp, Joost Jongerden, Cihan Erdost Akin, David Romano, Martin van Bruinessen, Kurdish Studies is the leading journal in the field In his editorial for last year's May issue of Kurdish Studies founding editor Prof Ibrahim Sirkeci noted how navigating the highly contested and politically charged field of Kurdish studies required impartiality and a commitment to academic integrity on the part of the journal Yet our professed impartiality does not mean that we stand aloof from social and political developments nor that our editorial work is not guided by a number of moral political and academic principles As the leading scholarly journal in the field of Kurdish studies we are aware of the role that the journal plays in creating structures of visibility shaping knowledge production and not least influencing careers We therefore believe that the recent discussion on male violence and sexual harassment in Kurdish studies which was initiated by the publication of an anonymous letter via the Kurdish Studies Network is of direct significance to the journal It has initiated a discussion that was in many ways long overdue both for the field as a whole and for our journal **Kurdish Studies Archive** Martin van Bruinessen, 2025-01-07
