It is the result of a lifetime of work on dialect and metaphor and gives an overview of the folk wisdom expressed in figurative expressions. The author draws on his extensive contact with the rural cultures of Dorset, Cornwall, Yorkshire and Lancashire but has also included a range of sayings from North America, Australia, Scotland and other English-speaking countries. With revised contents and an improved index to make individual entries easier to find, the *Concise* can be used to check the meaning and the origin of an expression or to avoid mixed metaphors, anachronisms and incongruities.
