

A Nation of Lords

The Autobiography of the Vice Lords

Second Edition

David Dawley

This savagely moving book is the autobiography of a violent black street gang that in its 1960s heyday had perhaps 10,000 members in at least 26 branches on the West Side of Chicago. The Lords relentlessly and remorselessly terrorized the black residents of Lawndale with their senseless mayhem, murder, and gang warfare organized along military line.

David Dawley, a young, white New Englander, came to Lawndale . . . and incredibly bridging the black-white abyss, became, "the only white Vice Lord," for two years in 1969.

Dawley has written an authentic street-talk history in the first person of the Lords' blood-stained history.

*Jack Star
Chicago Tribune*

David Dawley has written a breathless, street-tough, unsentimental (for the most part) history of the Conservative Vice Lords of Chicago's West Side . . . He lets his story run through gang wars, prison brutality and daily violence with a matter-of-fact air and an economy of language (street language) that, at times, reaches poetry . . . not a pretty book and the unrelenting toughness of it and of the way of the Lords sometimes sickens.

This narrative about an anarchic jungle of concrete, fled by whites and order if not the law, is an excellent one of the young black urban experience of today. In the bravado and self-explanation of these young toughs, in the failure of the system and the system's imposition of order that mocks itself (the ins and outs of St. Charles reformatory are hilariously horrible), Dawley has, despite his liberal apologia, exposed the true horror of the black dilemma.

The time may come when an objective historian will look at the phenomena of anarchy in the nation's cities which hired powerful gangs like the Lords and Stones. And when it comes, he will have to use this book for valuable first-hand accounts.
