Revelation's Great Love Story Larry L. Lichtenwalter, 2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John's vision seems more like a nightmare But the elderly apostle begins with a statement that doesn't seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can't afford to miss Larry Lichtenwalter explores a side of Revelation seldom portrayed Christ's passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John's vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ's love these scenes and symbols would mean nothing Ultimately John's vision reveals the

extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return

An Unfinished Love Story Doris Kearns Goodwin, 2024-04-16 The 1 New York Times bestseller from America's historian in chief New York magazine An Unfinished Love Story A Personal History of the 1960s by Doris Kearns Goodwin one of America's most beloved historians artfully weaves together biography memoir and history She takes you along on the emotional journey she and her husband Richard Dick Goodwin embarked upon in the last years of his life Dick and Doris Goodwin were married for forty two years and married to American history even longer In his twenties Dick was one of the brilliant young men of John F Kennedy's New Frontier In his thirties he both named and helped design Lyndon Johnson's Great Society and was a speechwriter and close advisor to Robert Kennedy Doris Kearns was a twenty four year old graduate student when selected as a White House Fellow She worked directly for Lyndon Johnson and later assisted on his memoir Over the years with humor anger frustration and in the end a growing understanding Dick and Doris had argued over the achievements and failings of the leaders they served and observed debating the progress and unfinished promises of the country they both loved The Goodwins last great adventure involved finally opening the more than three hundred boxes of letters diaries documents and memorabilia that Dick had saved for more than fifty years They soon realized they had before them an unparalleled personal time capsule of the 1960s illuminating public and private moments of a decade when individuals were powered by the conviction they could make a difference a time like today marked by struggles for racial and economic justice a time when lines were drawn and loyalties tested Their expedition gave Dick's last years renewed purpose and determination It gave Doris the opportunity to connect and reconnect with participants and witnesses of pivotal moments of the 1960s And it gave them both an opportunity to make fresh assessments of the central figures of the time John F Kennedy Jacqueline Kennedy Martin Luther King Jr Robert Kennedy Eugene McCarthy and especially Lyndon Johnson who greatly impacted both their lives The voyage of remembrance brought unexpected discoveries forgiveness and the renewal of old dreams reviving the hope that the youth of today will carry forward this unfinished love story with America **Allowing**
