Creating Financial Value Malcolm Allitt, 2016-01-28 How many senior executives and managers are able to reach the top with little or no financial training They may have been appointed to the executive board as a result of their expertise in marketing HR sales or IT yet every board member has a responsibility to make informed decisions on proposed financial actions decisions which inevitably affect the value of their business Offering straightforward and practical advice Creating Financial Value will equip those who are not financial specialists with the necessary knowledge not only to contribute fully to important discussions on policy and strategy but also to develop sound business proposals or to competently cross examine

the proposals of others Through examples from a range of business disciplines the book explains in simple digestible terms how a business creates financial value and how a non financial manager can confidently take an active role in the process Once read the book will provide an essential resource that can be referenced time and again Malcolm Allitt punctures the myths surrounding shareholder value and looks behind the finance jargon to define the boundaries between what a non specialist should know and when it is good practice to seek the advice of financial specialists This book is key reading for anyone from a non financial background who wants to execute their increasingly broad responsibilities competently and confidently without the need to become experts themselves *Managing Financial Information* David Davies,2005-09-13 In order to plan strategy and manage effectively it is vital that HR practitioners understand the importance and use of financial information and the issues surrounding it *Managing Financial Information* offers a clear and accessible guide to the financial tasks that HR managers face in daily working practice including the balance sheet costing and budgeting and the financial implication of human resource decisions An easy to follow structure reflective questions and engaging assignments that show the reader how to put theory into practice will ensure an understanding of all key elements of financial management This revised edition includes two fresh chapters that provide an introduction to management accounting and budgets and human behaviour and content that demonstrates how the theory relates to human resource management systems in particular Designed for CIPD students taking the Managing Information for Competitive Advantage module as part of the CIPD Leadership and Management standards any student taking a finance for non specialists module on an HR degree programme and any practitioner wishing to further their skills *Managing Financial Information* works through every stage from the very basics and is essential reading to ensure the thorough financial grounding that will help you succeed **Basic Management Accounting for the Hospitality Industry** Michael Chibili,2019-11-26 Basic Management Accounting for the Hospitality Industry uses a step by step approach to enable students to independently master the field This second edition contains many new themes and developments including the essence of the International Financial Reporting Standards IFRS integration of the changes caused by the evolution of the Uniform System of Accounts for the Lodging Industry USALI the extension of price elasticity of demand and addition of income and cross elasticities the addition of break even time BET as an additional method of analysing capital investments Up to date and comprehensive coverage this textbook is essential reading for hospitality management students Additional study and teaching materials can be found on www.hospitalitymanagement.noordhoff.nl **Elements of Theatre at Work** Brian Groves,2014-05-12 [Integrated Science in Digital Age 2020](#) Tatiana Antipova,2020-05-26 This book presents the proceedings of the 2020 International Conference on Integrated Science in Digital Age which was jointly supported by the Institute of Certified Specialists Russia and Springer and was held on May 1 3 2020 The conference provided an international forum for researchers and practitioners to present and discuss the latest innovations trends results experiences and concerns in the various areas of integrated science in the

digital age The main goal of the conference was to efficiently disseminate original findings in the natural and social sciences covering topics such as blockchain computer law digital accounting digital business digital economics digital education digital engineering machine learning smart cities in the digital age health policy and information management *Advances in Digital Science* Tatiana Antipova,2021-03-14 This book gathers selected papers that were submitted to the 2021 International Conference on Advances in Digital Science ICADS 2021 that aims to make available the discussion and the publication of papers on all aspects of single and multi disciplinary research on Conference topics <https://ics.events/icads2021> ICADS 2021 was held on February 19-21, 2021 An important characteristic feature of Conference is the short publication time and world wide distribution Written by respected researchers the book covers a range of innovative topics related to Advances in Digital Agriculture for use in presentations or handouts for any level students researchers etc for the further development of authors scientific career e.g. by citing and attaching contributions to job or grant application **Fashion Management** Rosemary Varley, Ana Roncha, Natascha Radclyffe-Thomas, Liz Gee, 2018-10-30 This new textbook authored by a team of expert researchers and lecturers based at the London College of Fashion is one of the first in the field to examine strategic management in the context of the fashion industry catering specifically for students hoping to work in the sector International in approach the text covers all aspects of strategic management from growth strategy and financial management to brand and supply chain management Fashion Management's engaging style, page design and pedagogical framework makes it accessible to students at all levels while the authors' extensive expertise ensures that the content is always underpinned by rigorous academic research Established key topics and significant contemporary issues such as sustainability the digital and corporate social responsibility are considered from both a theoretical and practical perspective with real world examples drawn from high profile global fashion organisations This is an ideal core textbook for those studying on undergraduate and postgraduate degree courses in fashion management and fashion marketing The book will also be an important supplementary resource for courses in marketing retailing and business studies with the fashion industry providing an effective context for students to engage with the application of theory Accompanying online resources for this title can be found at [bloomsburyonlineresources.com/fashion-management](https://www.bloomsburyonlineresources.com/fashion-management) These resources are designed to support teaching and learning when using this textbook and are available at no extra cost *Accounting: Business Reporting for Decision Making, 9th Edition* Jacqueline Birt, Keryn Chalmers, Suzanne Maloney, Albie Brooks, David Bond, Judy Oliver, 2025-11-24 Birt's Accounting Business Reporting for Decision Making 9th Edition is the market leading text for core accounting units in business and commerce degrees specifically designed for first year students across all business disciplines including marketing and HRM What sets this text apart is its focus on the connection between accounting and business decision making presented from a management and stakeholder perspective rather than a technical accounting view
