Actress Pilgrimage Ina Rozant:

An Actress's Pilgrimage Ina Rozant, 1906 The Grizzly Bear, 1929 The Actress of Padua Richard Penn Smith, 1836 *Chicano/Latino Homoerotic Identities* David W. Foster, 2014-07-16 This collection which grew out of a research conference held at Arizona State University in November 1997 examines varieties of Chicano Latino homoerotic identities It includes essays by a group of scholars who are engaged in defining the parameters of these identities and who are concerned with how those identities interact with the dominant ones articulated by a hegemonic Anglo society in the United States *Literature and the Experience of Globalization* Svend Erik Larsen, 2017-10-19 How does literature represent challenge and help us understand our experience of globalization Taking literary globalization studies beyond its traditional political focus Literature and the Experience of Globalization explores how writers from Shakespeare through Goethe to Isak Dinesen J M Coetzee Amitav Ghosh and Bruce Chatwin engage with the human dimensions of globalization Through a wide range of insightful close readings Svend Erik Larsen brings contemporary world literature approaches to bear on cross cultural experiences of migration and travel translation memory history and embodied knowledge In doing so this important intervention demonstrates how literature becomes an essential site for understanding the ways in which globalization has become an integral part of everyday experience *How to Be a Heroine* Samantha Ellis, 2015-02-03 While debating literature's greatest heroines with her best friend thirtysomething playwright Samantha Ellis has a revelation her whole life she's been trying to be Cathy Earnshaw of *Wuthering Heights* when she should have been trying to be Jane Eyre With this discovery she embarks on a retrospective look at the literary ladies the characters and the writers whom she has loved since childhood From early obsessions with the March sisters to her later idolization of Sylvia Plath Ellis evaluates how her heroines stack up today And just as she excavates the stories of her favorite characters Ellis also shares a frank often humorous account of her own life growing up in a tight knit Iraqi Jewish community in London Here a life long reader explores how heroines shape all our lives **Acting with Both Sides of Your Brain** Ramon Delgado, 1986 Research on right and left hemisphere brain functions provides a metaphor and possibly even a physical explanation for the dual nature of the performing experience Investigations by psychologists and neurologists suggest that the creative non verbal functions of the right hemisphere of the brain are equally important to our balance as whole personalities as is the dominant left hemisphere of the brain long believed to direct logical and verbal functions If the dominant left hemisphere can be temporarily overridden we gain access to the creative right functions and a healthy balance occurs It is this balance between the two hemispheres which creates the double awareness that the audience has of the performer as both actor and character It is the balance which permits actors the simultaneous experience of emotional release and emotional control Further study convinced the author the right brain left brain approach was indeed a useful way of organizing the development of the creative processes Publisher description Dickens Peter Ackroyd, 1992 Dickens was a landmark biography when first

published in 1990 This specially edited shorter edition takes the reader into the life of one of the world's greatest writers It is published to tie in with a 3 part BBC TV series on Dickens with Peter Ackroyd part drama based on Ackroyd's Simon Callow play part documentary part biography **The Guardian Index** ,1996 **Staged Readings** Michael D'Alessandro,2022-09-26 Staged Readings studies the social consequences of 19th century America's two most prevalent leisure forms theater and popular literature In the midst of watershed historical developments including numerous waves of immigration two financial Panics increasing wealth disparities and the Civil War American theater and literature were developing at unprecedented rates Playhouses became crowded with new spectators best selling novels flew off the shelves and all the while distinct social classes began to emerge While the middle and upper classes were espousing conservative literary tastes and attending family matinees and operas laborers were reading dime novels and watching downtown spectacle melodramas like *Nymphs of the Red Sea* and *The Pirate's Signal* or *The Bridge of Death* As audiences traveled from the reading parlor to the playhouse and back again they accumulated a vital sense of social place in the new nation In other words culture made class in 19th century America Based in the historical archive Staged Readings presents a panoramic display of mid century leisure and entertainment It examines best selling novels such as Harriet Beecher Stowe's *Uncle Tom's Cabin* and George Lippard's *The Quaker City* But it also analyzes a series of sensational melodramas parlor theatricals doomsday speeches tableaux vivant displays curiosity museum exhibits and fake volcano explosions These oft overlooked spectacles capitalized on consumers previous cultural encounters and directed their social identifications The book will be particularly appealing to those interested in histories of popular theater literature and reading social class and mass culture
