Address Delivered Portsmouth Anti Slavery Society:

An Address Delivered Before the Portsmouth Anti-Slavery Society Claggett William, 2019-03-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *An Address, Delivered Before the Portsmouth Anti-Slavery Society (Classic Reprint)* William Claggett, 2015-07-08 Excerpt from An Address Delivered Before the Portsmouth Anti Slavery Society At the Annual Meeting of the Portsmouth Anti Slavery Society on the 4th day of July 1839 the following resolutions viz Resolved That the existence of Slavery in our Union is incompatible with the genius of our political institutions and a virtual renunciation of the self evident truths relating to the natural equality and the inalienable rights of man as set forth in the Declaration of Independence that the rapid increase and extension of Slavery as tending to undermine the foundations of virtue and morality the Christian Religion and civil liberty is a subject which ought to excite the most fearful apprehensions of the friends of freedom Resolved That the abolition of the whole system of Southern Slavery is demanded by the dictates of humanity the immutable principles of justice and the interests and welfare of the whole nation being under consideration Mr Claggett addressed the meeting as follows Mr President When the constitution of the United States was adopted nearly fifty two years ago the number of persons held in bondage in the thirteen United States probably exceeded six hundred thousands By the census of 1790 the whole number was 697 897 The present number may be estimated at three millions We have thus the startling the appalling fact that in the lapse of about half a century there has been an increase of slaves in this land of freedom this boasted asylum of oppressed humanity of nearly two millions and an half About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *An Address, Delivered Before the Portsmouth Anti-slavery Society* William

Claggett,1839 **An Address, Delivered Before the Portsmouth Anti-Slavery Society, on the Fourth of July, A.D. 1839, Being the 63d Anniversary of the Independence of the United States of America** William Claggett,1839

The Fortunate Heirs of Freedom Daniel John McInerney,1994-01-01 Across lines of race gender religion and class abolitionists understood their reform effort in the same basic terms as part of a continuous struggle between the forces of power and the forces of liberty in which vigilant citizens battled tyranny and corruption defending the independence and virtue upon which their fragile experiment in republican government depended Focusing on that republican frame of reference this book sheds new light on the historical imagination of the abolitionists their views of politics and the marketplace the relation between religion and reform and the cultural critique embedded in abolitionism The author convincingly argues that the reformers conceived of their work in more precise terms than historians have generally recognized their concern lay specifically with the problem of slavery in a republic Abolitionists did not see themselves as antebellum reformers theirs was a post Revolutionary movement Back cover **An Oration, Delivered 4th July, 1835** O.

P. Jackson,1835 *AN ORATION DELIVERED BY O.P. JACKSON, ESQ., ON THE FOURTH OF JULY, 1835* ,1835 **Author List of the New Hampshire State Library, June 1, 1902** New Hampshire State Library,1904 **The Roots of American Individualism** Alex Zakaras,2022-10-04 A panoramic history of American individualism from its nineteenth century origins to today s bitterly divided politics Individualism is a defining feature of American public life Its influence is pervasive today with liberals and conservatives alike promising to expand personal freedom and defend individual rights against unwanted intrusion be it from big government big corporations or intolerant majorities The Roots of American Individualism traces the origins of individualist ideas to the turbulent political controversies of the Jacksonian era 1820 1850 and explores their enduring influence on American politics and culture Alex Zakaras plunges readers into the spirited and rancorous political debates of Andrew Jackson s America drawing on the stump speeches newspaper editorials magazine articles and sermons that captivated mass audiences and shaped partisan identities He shows how these debates popularized three powerful myths that celebrated the young nation as an exceptional land of liberty the myth of the independent proprietor the myth of the rights bearer and the myth of the self made man The Roots of American Individualism reveals how generations of politicians pundits and provocateurs have invoked these myths for competing political purposes Time and again the myths were used to determine who would enjoy equal rights and freedoms and who would not They also conjured up heavily idealized apolitical visions of social harmony and boundless opportunity typically centered on the free market that have distorted American political thought to this day **Author List of the New Hampshire State Library** New Hampshire State Library,1904

Ignite the flame of optimism with Crafted by is motivational masterpiece, Fuel Your Spirit with **Address Delivered Portsmouth Anti Slavery Society** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
