Address Young Importance Religion:

The Public Significance of Religion Leslie J. Francis, Hans-Georg Ziebertz, 2011-06-22 This book reflects on the idea that religion represents a force in the public realms of society The empirical evidence reveals a regained relevance for and commitment to religion re emerging in secularized countries but also that it does so in a new form unexpected foreign and maybe even dangerous If religion regains public significance in social debates what are its characteristics in terms of topics and interests actors and parties How is this experienced and evaluated by different groups in society What are the motives of religious groups and churches to re enter the public domain and are they effective What is the importance of religious groups claiming participation consulting steering and dominating in public debates How do different religious and nonreligious groups evaluate the impact of religion on the public environment and under which conditions can it be regarded to be functional or dysfunctional Scholars who address these questions do so from a theological or a religious studies perspective They reflect on the phrase public significance of a religion in its political cultural and typical religious dimension The book points out what tendencies can be observed when different religions profile themselves competitively in public debate and to what extent ethnic and national identities intervene in this interreligious interaction **British Pakistani Boys, Education**

and the Role of Religion Karamat Iqbal, 2018-10-03 British Pakistani children are the second largest ethnic group in UK schools yet little of their education and wider needs have been researched *British Pakistani Boys Education and the Role of Religion* seeks to rectify this by investigating the educational achievement of British Pakistani boys and the importance of education both in the Pakistani community and in the wider religion of Islam The book draws on research undertaken by the author in three British state secondary schools to respond to the national policy on the education of ethnic minority children It considers the meaning of education for Pakistanis where religion plays an integral role the gaps in education as well as the issue of representation in governance and in the teaching workforce The author concludes by discussing the possibility of responsive education better meeting the needs of Pakistani children by integrating Islamic religious education and education of the world *British Pakistani Boys Education and the Role of Religion* will be vital reading for academics and both undergraduate and postgraduate students in the fields of Education and Sociology and specifically those studying inclusion equality and diversity or Asian Muslim or Pakistani education It would also appeal to education practitioners policy makers and community activists

The Religious Identity of Young Muslim Women in Berlin Synnøve Bendixsen, 2013-04-17 *The Religious Identity of Young Muslim Women in Berlin* offers an in depth ethnographic account of Muslim youth s religious identity formation and their everyday life engagement with Islam It deals with the reconstruction of selfhood and the collective content of identity formation in an urban and transnational setting *Ngaju Religion* Hans Schärer, 2013-03-09

Hans Scharer was born at Wadenswil near Zurich Switzerland in 1904 After his school years he was trained for Protestant missionary work at the Missionshaus in BiHe For seven years 1932 1939 he lived among the Ngaju in southern Borneo first

with the Ngaju speaking people of the Katingan river area later for a shorter period with those living along the Barito He was granted European leave in 1939 and spent the years 1939 1944 studying Ethnology as it then was called under Professor J P B de Josselin de Jong at Leiden University He went home to Switzerland in 1944 but returned to Leiden in 1946 to complete his studies and defend his Ph D thesis on Die Gottesidee der N gadju Dajak in Sud Borneo It is this thesis which published by E J Brill Leiden in 1946 is now being re issued in English translation Soon after he left once more for the Ngaju territory as Praeses of the Baseler Mission in south Borneo He died there suddenly on December 10th 1947 of blood poisoning These few biographical data are not merely of some slight historical interest they help us to understand the man and his work The present book is Scharer s only major work to have been published and for Scharer himself it was in a way an experiment

Theological Index Howard Malcolm,1868 Developmental Psychology and Young Children's Religious Education Olivera Petrovich,2022-12-16 Developmental Psychology and Young Children s Religious Education sets out to identify the conceptual pre requisites for young children s religious education learning and clearly highlights the challenges that children and their teachers encounter in the RE educational process Based on a study with 431 children aged 5 to 7 years from different schools faith and non faith and 47 teachers from the same schools as the children this book offers an insightful look into younger children s religious education providing statistical evidence to dismantle the belief that young children lack the ability to conceptualise God in abstract terms The information obtained from these children and their teachers reveals a major discrepancy between the teachers perceptions of young children s conceptual abilities for RE learning on the one hand and children s actual abilities revealed in their responses throughout the study on the other Based on the evidence described in the volume Petrovich argues that teacher training courses for primary RE need to be designed to include a substantial component of contemporary developmental research that is of direct relevance to children s conceptual abilities and understanding of abstract concepts Developmental Psychology and Young Children s Religious Education is essential reading for students and researchers in developmental psychology religious education teacher education education studies and cultural anthropology *Alexander's Transatlantic Sketches* James Alexander,2003-01-30 Values, Religions and Education in Changing Societies Karin Sporre,Jan Mannberg,2010-09-24 Education is a societal matter and takes place in relation to societal changes Today in many countries it has to grapple with diversity and differences brought about by migration and changes in gender relations Questions of values human rights and the role of religions are raised In this book scholars from Sweden Norway Germany Great Britain Canada Namibia and South Africa discuss the issues above Similarities as well as differences are highlighted The varied contributors engage in a North South dialogue Among the questions addressed are Can the Scandinavian countries be understood as more religious than their up to date seemingly secularist reputation has led us to believe How do some European Muslim Christian and secular pupils understand the religious education they receive Could a global citizenship education with a gendered understanding as an integral part be

accomplished Diversity and social justice what does it take to theoretically integrate these two crucial parameters in education in South Africa and in Sweden The role of religious and values education under changing circumstances is explored through the diverse contributions that also challenge the hegemony of a Western understanding of democracy among other values The purpose of this is to assess what could now constitute global educational common ground

Religion, Race, and Barack Obama's New Democratic Pluralism Gaston Espinosa, 2012-08-21 Contrary to popular claims religion played a critical role in Barack Obama's 2008 election as president of the United States Religion race and gender entered the national and electoral dialogue in an unprecedented manner What stood out most in the 2008 presidential campaign was not that Republicans reached out to religious voters but that Democrats did and with a vengeance This tightly edited volume demonstrates how Obama charted a new course for Democrats by staking out claims among moderate conservative faith communities and emerged victorious in the presidential contest in part by promoting a new Democratic racial ethnic and religious pluralism Comprising careful analysis by leading experts on religion and politics in the United States Gaston Espinosa's book details how ten of the largest segments of the American electorate voted and why drawing on the latest and best available data interviews and sources The voting patterns of Mainline Protestants Evangelicals Catholics Jews Muslims and seculars are dissected in detail along with the intersection of religion and women African Americans Latinos and Asian Americans The story of Obama's historic election is an insightful prism through which to explore the growing influence of religion in American politics

Strengthening Religious Tolerance for a Secure Civil Society in Albania and the Southern Balkans James Pettifer, Mentor Nazarko, 2007 It has long been a common place of Balkan Studies and historical writing about the Balkans to state that religion is often a major factor in conflicts This publication illuminates the background to this complex religious culture in Albania and also touches upon subjects of importance in relevant neighboring nations Greece and Montenegro
