Woody Leonhard

Aol Mail Google Chrome Extension:

Digital Marketing Answer Book David Obatomi, 2024-08-31 As digital technology advances so also is a move from traditional marketing to what is today known as internet marketing or digital marketing Marketing is all about reaching your target audience at the right place and at the right time Digital marketing is an all inclusive term for marketing products and services online using various methods such as websites email social media and online advertising This book is a collection of everything you need to know about digital marketing with materials provided carefully researched and with balanced arguments to support all the topics covered in the book I highly recommend it to everyone as I believe it will be a valuable and convenient resource for building the skills knowledge and confidence needed to become a capable and qualified digital marketing executive

Reference and Information Services Melissa A. Wong, Laura Saunders, 2024-08-22 Written as a textbook for LIS students taking reference courses this fully updated and revised seventh edition of *Reference and Information Services* An Introduction also serves as a helpful handbook for practitioners to refamiliarize themselves with particular types and formats of sources and to refresh their knowledge on specific service topics The first section grounds the rest of the textbook with an overview of the foundations of reference and an introduction to the theories values and standards that guide reference service The second section provides an overview of reference services and techniques for service provision establishing a foundation of knowledge on reference service and extending ethical and social justice perspectives The third part offers an overview of the information life cycle and dissemination of information followed by an in depth examination of information sources by type as well as by broad subject areas Finally the concluding section guides the reader through the process of developing and maintaining their own vision of reference practice This textbook is essential reading for all preservice and working librarians particularly those concerned with ethical and social justice perspectives on reference work
