Christian Theology, Volume One Thomas N. Finger, 2020-03-09 Thomas N Finger has chosen an approach to the systematic presentation of Christian Theology which I also have taken since the publication of my Theology of Hope in 1964 He begins with the goal with eschatology With that goal in mind a new light is cast on every single doctrine of Christian theology the light of redemption and the work of the theologian becomes a labor of hope This is a theology of the way With the kingdom of God kept steadily in view it becomes an invitation to walk the way of Jesus Tom Finger s theological prospectus makes a brilliant contribution to ecumenical theological dialogue from the Anabaptist tradition He offers an eschatologically oriented theology for which I can only congratulate him Jurgen Moltmann Professor of Theology University

of Tübingen While many systematic theological texts are shaped by academic discussion of ancient thought and or modern philosophies Finger centers on the kerygma of the biblical text that the last things or eschatological events expected at history's climax had already occurred through Jesus' life, death and resurrection though they were not yet fully realized To present eschatology as a living hope that always has motivated and still motivates Christians and Christian communities in all things Finger does not follow the discipline's traditional order where eschatology appears last but places it first Volume II will culminate with the doctrine of God which usually comes first This is hardly to minimize God's importance but to maximize it as the Christian faith's most profound mystery Volume I begins with eschatology to present it as a dynamic boundless atmosphere in which theological reflection unfolds While this dynamism envelops Christian life and mission it is not merely subjective It is hope for the transformation of all creation It is not only celebrative for it also struggles against the gruesome evils that seek to dominate all things From this vantage point eschatology in Volume I seeks to articulate the significance of the resurrection the last judgment heaven and hell the return of Christ and the millennium's coming These reflections lead to revelation beginning from the final revelation of Jesus Christ 1 Peter 1:3-13 Revelation's dimensions are treated as personal as historical extending forwards from Genesis and as propositional or its way of conveying its contents These point theological reflection to revelation's center Jesus Christ chiefly to his saving work in his life, death and resurrection Here the strengths and weaknesses of the traditional substitutionary and moral influence theories are examined But when placed within their revelational or historical sequence Jesus' conflict with the powers of evil stands out These prove to be gigantic systemic forces which have always ordered but also imprisoned humankind such as the Roman Empire Yet their horror and power stretch beyond any social or psychological explanation In Jesus' life and death these powers appear to conquer him But through his resurrection Jesus conquers them This drama is best articulated by the Christus Victor approach in which Jesus with his Father and Spirit defeats these powers but does not totally destroy them This is why their eschatological reign is already present but evil is not yet destroyed until the end

New Testament Foundations, Vol. 1 Ralph P. Martin, 1999-11-19 The merits of this volume are many The author writes in a very readable and intelligible style making the book clear and easy to understand His evaluations are objective carefully weighing both strengths and weaknesses and doing so from the standpoint of liturgical principle rather than dogmatic assertion Despite the scholarly approach there is a practical emphasis not found in many introductions

New Testament Foundations represents scholarship at its best The Theological Educator [A Testimony of Jesus Christ - Volume 1](#) Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

Jewish Backgrounds of the New Testament J. Julius Scott, Jr.,2000-08-01 This survey of intertestamental Judaism illuminates the customs and controversies that provide essential background for understanding the New Testament Scott opens a door into the Jewish world and literature leading up to the development of Christianity He also offers an accessible overview of the data through helpful charts maps and diagrams incorporated throughout the text to engage his readers **A Guide to Biblical Commentaries and Reference Works** John F. Evans,2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author's names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years **The Greek Apocalypse of Baruch (3 Baruch) in Hellenistic Judaism and Early Christianity** Daniel C. Harlow,2023-08-14 This volume represents the first comprehensive study of the Greek Apocalypse of Baruch 3 Baruch one of the most neglected of the Old Testament Pseudepigrapha Harlow discusses such introductory issues as text genre setting and function He carefully examines the chief critical issues in the study of this fascinating document including the literary integrity of the work and its original Jewish or Christian authorship He then proceeds to offer an interpretation of 3 Baruch as both a Jewish and Christian text His study succeeds in situating 3 Baruch within post 70 Hellenistic Judaism and in clarifying the early Christian interest in adapting editing and transmitting the work will find this study illuminating
