Apostle James L Larson:

The Latter-Day Saints' Millennial Star, 1901 *Studies in Scandinavian-American Interrelations* Harald S. Næss, Sigmund Skard, 1971 **Mariana Griswold Van Rensselaer** Judith K. Major, 2013 Mariana Griswold Van Rensselaer 1851-1934 was one of the premier figures in landscape writing and design at the turn of the twentieth century a moment when the amateur pursuit of gardening and the increasingly professionalized landscape design field were beginning to diverge This intellectual biography the first in depth study of the versatile critic and author reveals Van Rensselaer's vital role in this moment in the history of landscape architecture Van Rensselaer was one of the new breed of American art and architecture critics closely examining the nature of her profession and bringing a disciplined scholarship to the craft She considered herself a professional leading the effort among women in the Gilded Age to claim the titles of artist architect critic historian and journalist Thanks to the resources of her wealthy mercantile family she had been given a sophisticated European education almost unheard of for a woman of her time Her close relationship with Frederick Law Olmsted influenced her ideas on landscape gardening and her interest in botany and geology shaped the ideas upon which her philosophy and art criticism were based She also studied the works of Charles Darwin Alexander von Humboldt Henry David Thoreau and many other nineteenth century scientists and nature writers which influenced her general belief in the relationship between science and the imagination Her cosmopolitan education and elevated social status gave her much like her contemporary Edith Wharton access to the homes and gardens of the upper classes This allowed her to mingle with authors artists and affluent patrons of the arts and enabled her to write with familiarity about architecture and landscape design Identifying over 330 previously unattributed editorials and unsigned articles authored by Van Rensselaer in the influential journal *Garden and Forest* for which she was the sole female editorial voice Judith Major offers insight into her ideas about the importance of botanical nomenclature the similarities between landscape gardening and idealist painting design in nature and many other significant topics Major's critical examination of Van Rensselaer's life and writings which also includes selections from her correspondence details not only her influential role in the creation of landscape architecture as a discipline but also her contribution to a broader public understanding of the arts in America **Encyclopedia of Martin Luther and the Reformation** Mark A. Lamport, 2017-08-31 The Encyclopedia of Martin Luther and the Reformation is a comprehensive global study of the life and work of Martin Luther and the movements that followed him in history and through today Organized by a stellar advisory board of Luther and Reformation scholars the encyclopedia features nearly five hundred entries that examine Luther's life and impact worldwide The two volume set provides overviews of basics such as the 95 Theses as well as more complex topics such as reformational distinctions Entries explore Luther's contributions to theology sacraments his influence on the church and contemporaries his character and more The work also discusses Luther's controversies and topics such as gender sexuality and race Publishing at the five hundredth anniversary of the Reformation

this is an essential reference work for understanding the Reformation and its legacy today *Encyclopedia of the Enlightenment* Michel Delon,2013-12-04 This acclaimed translation of Michel Delon s Dictionnaire Europeen des Lumieres contains more than 350 signed entries covering the art economics science history philosophy and religion of the Enlightenment Delon s team of more than 200 experts from around the world offers a unique perspective on the period providing offering not only factual information but also critical opinions that give the reader a deeper level of understanding An international team of translators editors and advisers under the auspices of the French Ministry of Culture has brought this collection of scholarship to the English speaking world for the first time **Illustrated Introduction to Latin**

Epigraphy Arthur E. Gordon,2023-09-01 This is a much needed textbook for students of epigraphy and an up to date reference work for scholars Central to the work are its photos Professor Gordon presents 100 Latin inscriptions arranged in chronological order and illustrated by the best available photographs The inscriptions which range in date from the sixth century B C to A D 525 are collated with standard texts and are accompanied by translations and full annotation They are preceded by an original introduction dealing with important aspects of Latin epigraphy and followed by several appendices on such special topics as Roman numerals The photographs of these inscriptions reveal the close relationship between Latin inscriptions and our present day type fonts by way of the humanistic hand of fifteenth centry European scholars This book will be of interest not only to students and scholars of epigraphy but to those interested in the history of typography as well This is a much needed textbook for students of epigraphy and an up to date reference work for scholars Central to the work are its photos Professor Gordon presents 100 Latin inscriptions arranged in chronological order and illustrated by the best availa Proceedings, American Philosophical Society (vol. 127, No. 6, 1983) , **Apostle of Cheerfulness** ,1917
