Appeals Mechanism In International Investment Disputes:

Appeals Mechanism in International Investment Disputes Karl P Sauvant, 2008-04-08 This volume brings together significant contributions from leading voices in academia the legal profession and government on the increasingly important topic of international investment and the legal system in which it operates With the burgeoning size of international capital flows matched only by an explosion in international agreements intending to regulate the field there is increasing potential for incoherence amongst and between treaties and arbitral decisions Appeals Mechanism in International Investment Disputes compiles compares and contrasts the analysis and arguments of the leading scholars practitioners and government officials on the future of the international investment law regime Its special emphasis is on the question of an appellate body for international investment disputes The authors also seek ways to streamline and improve the system channeling the benefits of free trade and investment flows to people in both the developing and emerging markets The Appendices provide readers with extensive background material to place the chapters into context Selected sections include concise commentaries to further illuminate the timely themes covered by the chapters The volume is singular in its success at bringing together so many exceptional individuals on a question of growing import how to improve the international law regime to increase prosperity and further global development If a reader wants to know what the influential voices in international law are saying right now and in a concise and readable format this is the publication to have **Schreuer's**

Commentary on the ICSID Convention Stephan W. Schill, Loretta Malintoppi, August Reinisch, Christoph H. Schreuer, Anthony Sinclair, 2022-09-14 This unique compendium offers an article by article commentary on the Convention on the Settlement of Investment Disputes between States and Nationals of Other States Providing a comprehensive explanation of the functioning of this important mechanism for the settlement of investor State disputes it incorporates the preparatory work the Convention s text various rules and regulations adopted under the Convention the practice of arbitral tribunals under the Convention and academic writings on the subject The first and second editions of this Commentary have been relied upon by numerous arbitral tribunals This third edition follows the same system and approach but extensive updates and revisions reflect the vast increase in arbitral practice since the publication of the second edition A number of novel issues that have emerged through this practice are now addressed making this practice oriented guide an indispensable tool for anyone dealing with the ICSID Convention Likewise the number of contributors to and editors of the third edition has increased Towards Consistency in International Investment Jurisprudence Katharina Diel-Gligor, 2017-05-22 Investor

State arbitration is currently a much debated topic both within the legal community and in the public at large In Towards Consistency in International Investment Jurisprudence Katharina Diel Gligor addresses the alleged proliferation of inconsistent decision making in this field one of the main points of concern raised in the ongoing discussions After exploring whether such criticism is appropriate at all she goes on to examine the different causes forms and manifestations of the

inconsistencies that exist through a detailed analysis of ICSID arbitration The author then canvasses possible approaches to reform and concludes that an ICSID preliminary ruling system the practicalities of which are set out in the study is a suitable means for enhancing consistency in investment arbitration and moving towards a jurisprudence constante The Award in International Investment Arbitration Katia Fach Gómez, Catharine Titi, 2024-08-28 The Award in International Investment Arbitration is a comprehensive study of the international investment award which serves as a unique reference work and an authoritative one stop resource on the topic for both practitioners and academics The book reviews the award in a holistic manner from award drafting to the procedural principles that govern it from arbitral deliberations and tribunal dynamics to post award challenges from the role of gender in decision making to the impact of tribunal secretaries It puts emphasis on the practitioners needs with a careful selection of hands on topics such as fact finding in complex disputes the role of experts and legal reasoning and persuasion Sensitive to contemporary challenges the book addresses both existing questions that have evolved over time and novel topics that have not yet received sufficient attention such as the impact of technology on award drafting By bringing together the biggest names in the contemporary investment arbitration scene a unique line up of highly qualified arbitrators and experts from academia and international legal practice The Award in International Investment Arbitration offers a singular reservoir of knowledge and experience on the topic drawn from a diverse set of angles and perspectives Principles of International Investment Law Rudolf Dolzer, Ursula Kriebaum, Christoph Schreuer, 2022 This book provides an ideal introduction to the fundamentals of international investment law and dispute settlement for students scholars and practitioners It combines a systematic analytical study of the texts and principles underlying investment law with a jurisprudential analysis of the case law arising in international tribunals International Investment and Dispute Settlement Chunlei Zhao, 2022-06-16 This book analyzes the dispute settlement mechanisms under the EU China Comprehensive Agreement on Investment CAI including the already established mechanisms for general state to state dispute settlement and the Mechanism to Address Differences for investment and sustainable development issues When China and the EU two of the biggest players in international investment announced the completion of the China European Union CAI negotiations the dispute settlement system remained incomplete While they reached an agreement on state to state dispute settlement the controversial investor state dispute settlement is subject to ongoing negotiations This book explores the possible procedural design of investor state dispute settlement mechanisms under the EU China CAI including potential proposals issues and solutions In addition this work analyzes the separation connection and combination of state to state and investor state dispute settlement all with a mind to ensuring the function and operation of diverse mechanisms and establishing a comprehensive system for successful investment dispute settlement Focusing on the complete dispute settlement system under the EU China CAI this book will be a valuable resource for students academics and policymakers working in the areas of international dispute resolution international investment law international economic

law and comparative law *The Multilateralization of International Investment Law* Stephan W. Schill, 2009-08-20 The book argues that international investment law is a structured body of law based on uniform principles of investment protection

The Resolution of International Investment Disputes Mariel Dimsey, 2008 This work deals with the current state of investment dispute resolution and analyzes the problems associated with investor state arbitration The author examines developments in the existing legal framework and looks at the mechanisms under existing domestic and international systems such as judicial review and class actions to see if these can be applied to investment dispute resolution The author concludes that the features of traditional arbitration are not flexible enough to meet the needs of this modern form of international dispute resolution Investment arbitration is now entering a new phase of its development The traditional typically arbitration related issues of consent privity and confidentiality are making room for the now more important questions of disclosure transparency legal certainty and consistency The author calls for setting up a model procedure specifically created for international investment disputes as this would enable the establishment of a tailor made process for this ever growing area of law

International Trade and Investment Dispute Settlement Giorgio Sacerdoti, Niall Moran, 2025-06-17 This book provides a thorough comparative analysis of the trade dispute settlement system of the WTO Regional Trade Agreements and of Investor State Dispute Settlement ISDS Reviewing in parallel their origins features development and current challenges highlighting commonalities and differences the book analyzes criticisms leveled against both regimes explores current reform efforts at the WTO ICSID and UNCITRAL including the controversial proposal to replace ISDS with a Multilateral Investment Court and engages in the on going debate by evaluating possible outcomes As to trade the book highlights the WTO system s successful operation for more than 20 years and its hobbling functioning since the paralysis of the Appellate Body in 2019 As to ISDS the book details the procedural protection granted to foreign investors under Bilateral Investment Treaties BITs other International Investment Agreements and investment chapters of trade agreements such as NAFTA USMCA CETA and the CPTPP alongside the impact of case law on the regulatory space of states This authoritative book intends to serve as a fundamental reference for students and researchers in international investment and trade law as well as for international lawyers adjudicators and diplomats involved in dispute settlement
