Medical Terminology Barbara J. Cohen, Ann DePetris, 2013-02-08. *Medical Terminology: An Illustrated Guide*, 7e, by Barbara Janson Cohen uses a stepwise approach to learning medical terminology. Part 1 describes how medical terms are built from word parts; Part 2 introduces body structures, diseases, and treatments; and Part 3 describes each body system. Individual chapters also build on knowledge in stages; the Key Terms sections list the terms most commonly used; more specialized terms are included in a later section entitled Supplementary Terms. The current edition includes a robust student ancillary package delivered under the PASSport to Success brand, with assessment exercises, chapter quizzes, and searchable text online, and a complete suite of instructor resources. The addition of PrepU as a packaging option provides a powerful value to students; the online study experience helps them to understand and retain course information and helps instructors to better assess what their students may be struggling with.
