Apple Store Hong Kong:

Apple in China Patrick McGee, 2025-05-13 THE NEW YORK TIMES BESTSELLER Absolutely riveting Peter Frankopan author of The Silk Roads Disturbing and enlightening Chris Miller author of Chip War Hugely important Rana Foroohar author of Makers and Takers A once in a generation read Robert D Kaplan author of Waste Land As Trump wages a tariff war with China seeking to boost domestic electronics manufacturing this book offers an unparalleled insight into why his strategy is embarrassingly naïve Apple isn't just a brand it's the world's most valuable company and creator of the 21st century's defining product The iPhone has revolutionized the way we live work and connect But Apple is now a victim of its own success caught in the middle of a new Cold War between two superpowers On the brink of bankruptcy in 1996 Apple adopted an outsourcing strategy By 2003 it was lured to China by the promise of affordable ubiquitous labour As the iPod and iPhone transformed Apple's fortunes their sophisticated production played a seminal role in financing training supervising and supplying Chinese manufacturers skills Beijing is now weaponizing against the West Investigative journalist Patrick McGee draws on 200 interviews with former Apple executives and engineers to reveal how Cupertino's choice to anchor its supply chain in China has increasingly made it vulnerable to the regime's whims Both an insider's historical account and a cautionary tale Apple in China is the first history of Apple to go beyond the biographies of its top executives and set the iPhone's global domination within an increasingly fraught geopolitical context Apple Judy Dodge Cummings, 2018-12-15 Apple takes a look at the world's largest tech company examining its many ups and downs in the decades since it was founded by Steve Jobs and Steve Wozniak Features include a glossary references websites source notes and an index Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO

The Current American Civil War, a Global Perspective Kern G. Lim, 2018-09-10 After the last Civil War America emerged a stronger and more united country that went on to witness major economic growth and become a major force for Democracy around the World America is currently in a New Cold Civil War it is at a critical inflection point and faces the most serious threat to its democracy in its history Its Dynamic Free Market Capitalism has been replaced by Crony Capitalism from Wall Street which is hobbling the proper allocation of Financial Capital to Main Street thereby stifling real new business growth In this political commentary the author argues that we still do not fully understand the negative effects of convergence and consolidation in information technology We are also overlooking the fact that the rhetoric in both the social and Main stream Media are being monopolized by the same special interest groups that funds the Activists and control a majority of information technology companies While muckraker journalists used to look out for our interests today the media are mostly in cahoots with the tech companies as well as celebrities activist judges corporations and Wall Street capitalists As such the American people stand alone with no one on their side except the current President whom they had elected on 8th Nov 2016 With odds stacked against them do Americans stand a chance Get the answer to that question and

many more also discover what you can do to protect American democracy and help unchain free market capitalism to drive economic growth in America In our current environment of emotional hysteria hyped up by the Social and Main stream Media this book attempts a facts based approach leveraging business management methodologies and discipline to analyze issues and their causations All derived conclusions are also supported by historical equivalents fundamental concepts per relevant disciplines related organizational Cultures and finally the motivations and personal agendas of the participants This fresh new approach is most interesting as it is neither aligned with the left nor right an independent unbiased approach to problem solving
