Douglas W. Morrison

A Memory Returned Healing In Its Deepest Form:

A Memory Returned Anna Delves, 2011-12-14 Anna lost her eldest son unexpectedly in a tragic accident in July 2008 In her search for answers she started to receive life changing revelations from her son from the other side These revelations enabled Anna to understand how our world was created and taught her to heal at the very deepest level The fascinating story unfolds from the days that Anna spent communicating with her unconscious son as he lay dying in hospital through to her incredible recent experiences in Peru Her three year journey has given her insights that are massively changing her life and the lives of all who visit her Anna did not know why she was being sent to Machu Picchu As her trip drew near she made her plans in total trust that she was serving for the highest good However what unfolded in Peru was beyond even her expectations and brought this book to an astonishing conclusion Anna s story is unique and well worth reading Her insights will catapult you into a new phase of your life journey speeding your own personal healing to a much deeper level and helping you understand much that you did not understand before For those wishing to ascend in this lifetime this book will be very helpful For those simply searching for an understanding of how we all come to be here this book will throw much light on the subject This is a very readable book once started will be difficult to put down [A Memory Returned](#) Louisa Crisp, 2024-10-21 As a result of a climbing accident Louisa Crisp was faced with the sudden and unexpected loss of her eldest son In her shock and grief she began a search for answers Soon she started to receive life changing revelations coming directly from her son Dom The information she accessed offered solutions to vast cosmic and human mysteries How and why our world was created and how we came to attain individual consciousness These new insights initiated inner and outer journeys to explore healing at its deepest level A Memory Returned presents a thrilling narrative from the days that Louisa spent communicating with her unconscious son as he lay dying in hospital to her travels to the enigmatic Lost City of the Incas Machu Picchu where she came to channel ancient memories When Louisa first felt the urge to travel to South America she had no idea why but was ready to serve the highest good What then followed in Peru was beyond any expectation bringing this book to an astonishing conclusion Since her personal tragedy Louisa has gained many insights that continue to change her life The gift of discernment that came with the new perceptions allows those who meet her to change too Through her help they have been able to enter deeper phases of their life s journey unveiling fresh self knowledge and permanent healing This book can guide readers on their own voyage of personal discovery revealing the root causes of individual challenges [The Alpha and the Omega](#) Louisa Crisp, 2023-04-21 Drawing on scores of deep memories from her many clients Louisa Crisp shows that we can be free By shedding negative emotions traumas and conditioning we shine from the Divine essence that lives within This inextinguishable light cannot be taken from us yet many are choosing to live in fear and judgment in separation The Alpha and the Omega takes us on a breath taking journey from the moment our cosmos began to the present day revealing the cause of separation and the beginning of duality The second part of the book focuses

on the life of Jesus the first person who was able to let go of his fears completely and to live in total alignment with Source Many valuable memories are revealed from individuals who lived during that time Louisa shows how we can take steps to free ourselves from emotional turmoil caused by separation from our true self By listening above all to our intuition we can embark on a voyage to the very core of our being This we will discover is the path to enlightenment [A Memory Returned](#) Louisa Crisp,2024-10-21 As a result of a climbing accident Louisa Crisp was faced with the sudden and unexpected loss of her eldest son In her shock and grief she began a search for answers Soon she started to receive life changing revelations coming directly from her son Dom The information she accessed offered solutions to vast cosmic and human mysteries How and why our world was created and how we came to attain individual consciousness These new insights initiated inner and outer journeys to explore healing at its deepest level A Memory Returned presents a thrilling narrative from the days that Louisa spent communicating with her unconscious son as he lay dying in hospital to her travels to the enigmatic Lost City of the Incas Machu Picchu where she came to channel ancient memories When Louisa first felt the urge to travel to South America she had no idea why but was ready to serve the highest good What then followed in Peru was beyond any expectation bringing this book to an astonishing conclusion Since her personal tragedy Louisa has gained many insights that continue to change her life The gift of discernment that came with the new perceptions allows those who meet her to change too Through her help they have been able to enter deeper phases of their life s journey unveiling fresh self knowledge and permanent healing This book can guide readers on their own voyage of personal discovery revealing the root causes of individual challenges *Beloved, a Sacred Reunion* Sarah Ince,2010-03-27 The Twin Love series was originally taught at workshops from 2003 to 2009 During those spiritually magical and beautiful workshop spaces each participant learnt more about the different types of soul level relationship offering a clearer understanding Also each person opened their own heart to deeper levels and thus the attraction of their divine partner began first on the inner planes and then followed on this realm of life **Rebuild yourself** Alessandro Totaro,2025-07-17 You ve learned how to survive Now it s time to rebuild Rebuild Yourself is more than just a book it s a powerful practical and emotional journey into the invisible wounds we ve carried for far too long It is the natural sequel to the bestseller When You No Longer Recognize Yourself but it tackles a new chapter that of deep authentic transformative healing Page after page you ll be guided by a voice that s both empathetic and direct one that understands pain but deeply believes in your rebirth You ll learn how to recognize the emotional burdens that weigh you down break free from guilt anger and shame let go of those who couldn t love you and build a stable secure connection with yourself This is not about forgetting or pretending it never happened It s about walking through the pain and turning it into strength It s about not going back but moving forward Toward a freer more whole more truthful version of you If you feel something inside you is ready to heal if you ve hit rock bottom and now want to rise this book will give you the words tools perspective and hope to begin again **Deep Ecology and World Religions** David Landis Barnhill,Roger S.

Gottlieb,2010-03-29 Bringing together thirteen new essays on the important relationship between traditional world spirituality and the contemporary environmental perspective of deep ecology this landmark book explores parallels and contrasts between religious values and those proposed by deep ecology In examining how deep ecologists and the various religious traditions can both learn from and critique one another the following traditions are considered indigenous cultures Hinduism Buddhism Taoism Confucianism Judaism Catholicism Islam Protestantism Christian ecofeminism and New Age spirituality
