A Midsummer's Nightmare spider hacksaw,2009-06-02 I have no arms to perform my task I hide behind a human mask Because I have but darkness for face my only tool is the human race It takes very little to make them do evil It s so simple to make them fear I love to frighten I love to scare I m a cold winter s dream A Midsummer s Nightmare **A Midsummer's Nightmare** spider hacksaw,2016-05-11 Not all accidents are accidents Some accidents are nightmares A group of seven friends are on a weekend camping trip in the Colorado Rockies enjoying an evening around the campfire discussing everything under the sun and moon from flatulence and films to aliens and other worlds as well as their worst childhood nightmares Not long into the evening a violent twist of events propels them headlong into a dark endless night of survival As they rush to save one life they find themselves on the wrong side of the road paved with good intentions and wind up putting all their lives in jeopardy It is here in a realm of imitation reality that they meet a man infected by a mental physical and spiritual disease A man peddling his wares A man and his shadow peddling a virus of bad dreams It isn t long before things go from dire to horrific as they become separated and isolated in a twisted extension of the multiverse Where they are forced to confront their own psychological fears and trauma by being placed face to face with their worst childhood nightmares and the boogeymen that haunted their youth Love Terror Sex Madness These are the things that nightmares are made of Our minds manufacture representations in order to subsist Our conscious existence and our unconscious existence are sown together and ripped apart repeatedly so that we might see less clearly so that we might see more clearly Human beings must depart the shallow surface of things so as to know ourselves more truly so as to know ourselves more deeply Humanity s temporary existence is interwoven with our eternal existence We live within a revolving dream nightmare realm a spinning wheel of fortune and misfortune of dark and light of consciousness and unconsciousness We are temporary manifestations creating lives of temporary illusion while projecting and protecting our temporary trompe l oeil via our dreams and nightmares In order to cope to confront to comprehend our minds establish semblance we fabricate fables tell and retell parables and erect allegories Our struggles our survival our surrender are all portals of symbolic exorcism For existence itself is a metaphor Mankind is an emblem We are our own gods and monsters We are our own dreams and nightmares Dillon Race Sadie Benton Jacob Rydel Daphne Day Mike Parsons Rhonda Smith Alan Trist And Martin Webber Who will perish Who will prevail A Midsummer s Nightmare by spider hacksawRead it and scream *A Midsummer's Nightmare* Garry Kilworth,2011-09-29 Sherwood Forest home of Oberon Titania Puck Cobweb Peaseblossom and the rest of the mob has been whittled away by urban development It s time to move on the fairies decide Sid their captive a kindly if gruff young car mechanic teaches Titania to drive and on Midsummer s Eve the party sets off in a battered and smelly old bus They re bound for the New Forest where they hope to be able to regenerate their magic The fairies journey is full of excitement At a village fair they show the morris dancers how to cut previously undreamt of capers Titania falls in love with a human baby and steals

her from her pram starting a nationwide search for the missing infant The fairies then link up with a group of New Age travellers on their way to Stonehenge who befriend them almost without question Finally a fight to the death between Titania and the terrifying and sadistic Morgan le Fey must take place before everyone can settle down into some form of harmony and peace

My First Exorcism Harold Ristau,2016-04-14 What the scientific community dismisses as a mental disorder Christians have often labeled demon possession While classifications may offer limited help in explanation the Reverend Dr Harold Ristau explores the nature and meaning of demonic activity by drawing from his own experiences with exorcism Ristau shares life lessons spiritual applications and religious wisdom from his personal encounters with the dark realm Primarily intended for clergy his reflections offer a springboard intended to stimulate critical thinking challenge metaphysical presuppositions and inspire a belated conversation on a topic that has traditionally been avoided not because of a lack of empirical evidence but due to the fear that it incites inside of us Yet if the claims of the historic Church are true that demons do in fact exist and seek our destruction then an honest examination of the phenomenon and its impact on the ways in which we live and reason is an essential endeavor for any practitioner of the ministry of deliverance

The Seven Deadly Sins David R. Slavitt,2009 In The Seven Deadly Sins and Other Poems veteran poet David R Slavitt touches on topics from the mundane to the mysterious with his signature wit and intelligence In Stupid for instance he transforms a simple head cold into an appreciation for the richness of consciousness and in Waking the very effort of rising from bed becomes something like a miracle Slavitt explores the range of the human condition with such ease and insight that readers cannot help but ponder what life is and what it could be What if like the mythic sea creature in The Dogfish humans could return to the womb when frightened In the collection s title poem Slavitt gives a voice to the Seven Deadly Sins each of which claims persuasively to possess a value to humans that is seldom noticed or appreciated Slavitt has a unique ability to examine an idea be it virtue or vice dark or blithe and offer perspective and wisdom about the conundrums of our existence Book Jacket
