A Northern Youth The Yorkshire Trilogy:

A Northern Youth John Kruse, 2015-08-30 In *A Northern Youth* John Kruse brings together in chronological order his three novels set during his teenage years in his hometown of Barnsley South Yorkshire. The stories are *Feeling Called Love* a romance set in 1975-77 in Barnsley and Dunfermline, *Freak or Smoothy* which follows his career as a schoolboy rock star between 1974 and 1979, and lastly *Rewind and Edit* which is a tale of time travel and growing up after he leaves home for University. All the stories are concerned with issues of growing up, sex and romance and contemporary music. *The North East of England on Film and Television* James Leggott, 2021-06-28 This book analyses the representation of North East England in film and television. It is a response to the way a number of important British films and programmes, for example *Get Carter* (1971), *Whatever Happened to the Likely Lads* (1973-74), *Our Friends in the North* (1996) and *Billy Elliot* (2000) have used this particular setting to explore questions of class identity and history. It argues for the significance and coherence of a North East corpus of film and television through a series of case studies relating to specific eras or types of representation. These include regional writers working for television in the 1970s, the achievements of the workshop movement in the 1980s and works produced within the genres of documentary, crime drama, comedy, period drama and reality television. The book discusses how the communities and landscapes of the region have been used to explore processes of cultural change and legacies of de-industrialisation. *The Campus Trilogy* David Lodge, 2011-10-04 A trio of dazzling novels in a comic mode that the author has now made completely his own, a cause for celebration. The *New York Times Book Review* David Lodge's three delightfully sophisticated campus novels now gathered together in one volume expose the world of academia at its best and its worst. In *Changing Places* we meet Philip Swallow, British lecturer in English at the University of Rummidge, and the flamboyant American Morris Zapp of Euphoric State University who participate in a professorial exchange program at the close of the tumultuous sixties. Ten years later in *Small World* older but not noticeably wiser they are let loose on the international conference circuit along with a memorable and somewhat oversexed cast of dozens. And in *Nice Work* the leftist feminist Dr Robyn Penrose at Rummidge University is assigned to shadow the director of a local engineering firm, sparking a collision of ideologies and lifestyles that seems unlikely to foster anything other than mutual antipathy. **The Old Filth Trilogy** Jane Gardam, 2020-05-27 The complete wonderfully entertaining trilogy about three British friends approaching their twilight years with bittersweet humor. The *Washington Post* Jane Gardam's beloved *Old Filth Trilogy* including her masterpiece *Old Filth* voted one of the 100 greatest British novels in a BBC survey. *The Man in the Wooden Hat* and *Last Friends* are here presented in one volume. Emotionally distant but highly successful Edward Feathers, aka *Old Filth*, a man who belongs in the Dickensian pantheon of memorable characters. The *New York Times Book Review* his beautiful wife Betty and his devilishly handsome professional rival and Betty's onetime lover Edward Veneering are the anchors of this series, with each novel focusing on a different character. Feathers was a Raj orphan, children born in Far East British colonies and

raised in England while Veneering managed to get out of his fishing village turned industrial town just before the German bombs dropped and his luck has held up pretty well ever since The three tells a bittersweet tale of enduring friendship while contending with the disappointments and consolations of age while a once insurmountable empire declines around them It forms a deeply humane and often comic portrait of aging and a reminder that the experiences we choose to take with us in our twilight years are as unpredictable as life itself Her prose is so perceptive and fluid that it feels mentally healthful exiling the noise and clutter of your mind as efficiently as a Schubert sonata She could make actuarial tables pleasurable The New York Times Book Review Gardam is the best British writer you've never heard of Maureen Corrigan NPR Book One of a Trilogy - A Stitch in Time Ian Davey,2023-08-18 A Stitch in Time Set in the heart of North Yorkshire and incorporating local myths legends and historical facts this is the fantasy story of John Twigg a young man with everything to live for But despite a loving family and an adoring girlfriend he makes the fatal error of falling under the spell of a beautiful upper class girl Unable to sustain his own anguish and unhappiness at his betrayal he curses himself and is thrown back in time from 1999 to the year 1544 by a force that he cannot possibly comprehend This first book in a trilogy is the story of his haunted childhood and sets the scene for his later epic struggle to return from the witch infested late Tudor era where he is torn between two lives and loves in different times in history Intermixed with the evils of lust hate and jealousy John Twigg's fight to return home will touch your heart and soul Be very careful what you wish for in life be very careful indeed Roger Ebert's Movie Yearbook 2012 Roger Ebert,2011-12-06 Ebert collects his reviews from the last 30 months Readers can expect to find every movie review he has written from January 2009 to July 2011 Also included are in depth interviews with newsmakers and celebrities such as John Waters and Justin Timberlake memorial tributes and essays on the Oscars and reports from the Cannes and Toronto Film Festivals **The Missing Ones Trilogy** Ben Cheetham,2017-12-22 1993 A trip to the cinema turns into a nightmare for Anna Young and her little sister Jessica when two men throw thirteen year old Jessica into the back of a van and speed away 1997 Fifteen year old Grace Kirby kisses her mum goodbye and heads off to school It's a day like any other except that Grace will never return home 2012 Melinda surname and age unknown has been missing for weeks The police would normally be all over it but Melinda is a prostitute Women in that line of work are the perfect victims Most are runaways and drug addicts leading transient existences She probably just moved on Jessica Grace and Melinda are not the only ones who have gone missing There are others Lots of them On the surface their disappearances don't appear to be connected But one man is convinced otherwise When DI Jim Monahan is called to a fatal shooting he comes to realise the case is only part of a bigger picture one that he becomes hell bent on exposing to the world But a shadowy ring of powerful people will do anything to prevent that from happening Over the course of three books Jim's investigation leads him down a rabbit hole of murder depravity and corruption that will test his faith in the law to breaking point From the bestselling author of Blood Guilt and The Lost Ones comes a hard hitting trilogy that will have you questioning how far you would go to see
