A Pow Wow Of Shadows

E. M. Hull

A Pow Wow Of Shadows:

Light and Shadow Barbara Letts Blodgett, 2014-12-09 *Light and Shadow* is a second collection of poems by the author of *Beach Grass*. Included are poems and reflections about nature, journeys, life, family, and soul/spirit, written as she has travelled or as contemplative responses to moments of quiet. Although the subjects of some poems are quite specific, the underlying themes relate to the whole of human experience, including the love of family and animals, the joy of simply being, the loss of a friend or loved one, the awe of the night sky, and the kindness of another. Some of the poems have the quality of a meditation, others of a story, inviting the reader in as onlooker, participant. *The Shadow* John Alden, Arthur Russell, Russell Hillard Loines, 1896

The Shadow of the East E. M. Hull, 2019-12-03 E. M. Hull's *The Shadow of the East* is a captivating exploration of Eastern mystique interwoven with themes of romance and adventure. Set against the backdrop of the early 20th century, Hull employs a lyrical prose style that evokes the sensuality and allure of the East. The narrative deftly balances escapism with cultural nuances as it introduces readers to a world infused with passion and peril, ultimately challenging Western perceptions of the Orient. Hull's vivid descriptions and complex characters invite readers into a richly textured exploration of identity and desire, resonating with the late Romantic period's fascination with exotic locales and experiences. E. M. Hull, whose own life was marked by a blend of cultural influences, brings a unique perspective to her writing. Born as a British expatriate in India, Hull was profoundly influenced by her surroundings and the vibrant cultures she encountered. Her experiences undoubtedly informed the depth and authenticity of her characters and settings in *The Shadow of the East*, reflecting her understanding of both Western and Eastern sensibilities. Hull's literary journey also highlights her engagement with the evolving themes of femininity and self-discovery during a time when women were beginning to assert their voices in literature. This evocative novel is highly recommended for readers seeking an immersive experience that challenges conventions and offers a nuanced portrayal of intercultural dynamics. Fans of early 20th-century literature and those captivated by tales of exploration and romantic entanglements will find Hull's work both enriching and thought-provoking. Delve into *The Shadow of the East* to uncover a tapestry of intrigue and insight into a world that continues to haunt our imagination. In this enriched edition, we have carefully created added value for your reading experience. A succinct Introduction situates the work's timeless appeal and themes.
