A Revolution In Health Part 2 How To Take Charge Of Your Health:

A Revolution in Health Part 2 John Neustadt, Steve Pieczenik, 2009-02 This book is the second book in the Revolution in Health TM series The first book A Revolution in Health Through Nutritional Biochemistry was written by the authors in 2007 They now follow up that work with this groundbreaking book A Revolution in Health Part 2 How to Take Charge of Your Health In these books they describe how they have put into practice more than 100 years of research and how you can use this information to revolutionize your life The MetaCT 400 test and MetaCT Program provided me with improvement in my condition that I was told was not possible For about a tenth of the cost of conventional treatments Dr Neustadt's treatments have reduced my IBS symptoms by over 90% Steve Spokane Wash Three days after starting the program I felt like a new person Most of the chronic muscle bone and joint aches I have been having for over 10 years went away I felt stronger lighter on my feet and for the first time I tired out my children while playing with them outside The restless leg condition I have been having at night stopped too The slight depression I felt was lifted as well I now sleep better deeper and wake up more refreshed I have been to sleep studies and have seen many doctors and nothing has helped as immediately John Trussville Ala

Foundations and Applications of Medical Biochemistry in Clinical Practice John Neustadt MD, Steve Pieczenik MD Phd, 2009-06-13 The culmination of more than ten years of research by the authors this book describes for the first time ever the scientific basis and clinical applications of medical biochemistry a fundamental paradigm shift in medicine This paradigm shift is so revolutionary that it has been called the Neustadt Pieczenik Paradigm which is the fusion and clinical applications of biochemistry thermodynamics physiology fractal enzymology nutritional medicine and laboratory testing to identify and correct the underlying causes of many diseases that are considered genetic in nature eg Phenylketonuria and those that are not considered genetic eg mature onset asthma depression fatigue In this new medicine doctors must reject the failed purely symptomatic treatments they learned in medical school and focus on learning and treating the underlying biochemical causes of disease From the first documented clinical observations of biochemical individuality in the early 1900s to the development of sophisticated biochemical tests the authors provide a detailed and stunning analysis of a new medical model to help millions and cure our ailing healthcare system They uniquely contrast the conventional medical approach with the functional biochemical approach through extensive case studies on depression arthritis migraine headaches seizures rashes and more This book is a must read for physicians medical students nutritionists and anyone looking to take charge of their health
