A Moment Of Light Multidimensional Poetry:

A Moment of Light Richie Richards, 2015-05-16 I recently started reading this book of poems entitled A Moment of Light and once I started I could not put it down From the first page I felt an immediate feeling of calmness and a relief of tension The author Richie Landon Richards has managed to capture his experiences and to word it in a way which mirrors and explains one's own thoughts about the matter at hand In this fantastic artwork Richie has the rare ability of expressing spiritual experiences in such a way that people like us can relate to it and find common grounds with it But in addition to that he also possesses the necessary wisdom with which to speak authoritatively and give confident explanations to the experiences we have in life Amid all the wisdom included in this work one also discovers simplicity and straightforwardness Richie pens his poetry in such a way as to appeal to readers of every age and background And at the same time I also find his work comprehensive and complete He covers several areas of everyday experiences definitely some that you might find resonance with Amongst others he addresses the feeling of isolation and depression and our great task of shining our light where we are Each of these life experiences demand deep thinking and emotional feelings and all can easily remain unexplained if not addressed by someone that knows life inside out I strongly recommend Richie's poems It will be a great addition to your collection and an excellent read during your quiet time of rest Join Richie as he takes you on a journey through life and its experiences and you will surely emerge more knowledgeable more satisfied and therefore more at rest about the personal experiences you face

and Wes Williams White Light Ronald J. Friis, 2021-11-12 *White Light* The Poetry of Alberto Blanco explores the interplay of complementary images and concepts in A la luz de siempre the Mexican writer and visual artist's vast trilogy of poems from 1979-2018. By focusing on listening and seeing Blanco's highly interdisciplinary poetry transforms his inspirations into the inspiration of his readers Where Is the Way to the Dwelling of Light? , 2022-11-14 Nineteen friends and colleagues present this Festschrift to Ellen van Wolde honouring her life-long contribution to the field of Biblical studies. The contributions focus on the major topics that define her research: the books of Genesis and of Job and study of the Hebrew language. Profoundly inspired by the lasting legacy of the jubilarian, the articles present innovative and thought-provoking developments in the linguistic study of the Hebrew Bible with a particular attention to cognitive linguistics and in the research literary as well as linguistic of two of its most fascinating books Because the Light Will Not Forgive Me Shaun T. Griffin, 2019-06-05 Think of a man walking in the desert writes Griffin looking for the path to its summit looking for the observatory that may at last shed light on what's below. In this luminous and moving book of essays award-winning author Shaun Griffin weaves together a poetic meditation on living meaningfully in this world. Anchored in the American West but reaching well beyond he recounts his discoveries as a poet and devoted reader of poetry, a teacher of the disadvantaged, a friend of poets and artists and a responsible member of the human family. Always grounded in place be it Nevada, South Africa, North Dakota, Spain, Zimbabwe or Mexico Griffin confronts the world with an openness that allows him to learn and grow from the people he meets. This is a meditation on how all of us can confront our own influences to achieve wholeness in our lives. Along with Griffin readers will reflect on how they might respond to a homeless man walking through central Nevada viewing the open desert as Thoreau might have viewed Walden seeing the US-Mexico border as a region of lost identity reconciling how poets who live west of the Hudson River find anonymity to be their laurel and experiencing how writing poetry in prison becomes lifesaving. Whether poets or places in the West or beyond experiences with other cultures or an acute awareness that poetry is the refuge of redress all have influenced Griffin's writing and thinking as a poet and activist in the Great Basin. The mindfulness of *Because the Light Will Not Forgive Me* demonstrates that even though the light does not forgive it still reveals Red-Light Novels of the Late Qing Chloë F. Starr, 2007 Chloe Starr's book offers a comprehensive literary reading of six nineteenth-century Chinese red light novels and assesses how and why they alter our view of late Qing fiction and the authorial self *Poetry and Contemporary Visual Culture / Lyrik und zeitgenössische Visuelle Kultur* Magdalena Elisabeth Korecka, Wiebke Vorrath, 2023-10-24 This book's goal is to determine the significance of visual culture in the production of contemporary poetry and to sound out the insights poetry might generate into contemporary visual culture. Its main hypothesis is that poetry holds considerable potential for post-digital language, image and media criticism. The visual dimensions of recent poetry encompass for instance kinetic writing in digital poetry, visual elements in social media poems and spoken and written text-image interactions in poetry films as well as in book poetry. The

articles examine these medial correlations and their political implications by asking how visual culture is applied exposed and debated in poetry This volume brings together contributions by authors from various countries working in disciplines such as literary media and film studies linguistics cultural and visual culture studies and in poetic practice It covers poetry in English German Norwegian Polish Ukrainian Russian Serbian and also multilingual works The book thus aims to promote international exchange between poetry researchers and stimulate further investigation into current relations between poetry and visuality from additional research perspectives and languages
