

OLD PARADIGM VS. NEW PARADIGM

DIVINE LEADERSHIP

Traditional old paradigm leadership

Largely unconscious of one's lower ego tendencies and pitfalls

Predominantly based on masculine attributes

Left brain thinking

Competition-minded

Operating from survival consciousness

Operating from the constructed self

The logical, analytical mind is the main faculty used for business operation and decision-making

Mainly in service to self and profit

New paradigm divine leadership

High self-awareness of one's lower ego, plus high level of self-responsibility for lower ego purification

Integration of masculine and feminine attributes within self

Whole brain thinking

Collaboration-minded

Operating from unity consciousness

Operating from the soul-self or, divine self

Integrated ability to access information from Divine Intelligence, or God, to inform business operation and decision-making

In service to the greater good of all

A Paradigm Of The Divine

John Sallis

A Paradigm Of The Divine:

A Paradigm of the Divine J. Harris Gabbidon, 2000-12 For centuries mankind has been taught to view the divine from an established point of view to the extent that any attempt to explore the Divine from a totally different angle could be regarded as blasphemous This book attempts to position the reader at an unusual angle to enable him to see the Divine from an unusual perspective Viewing the Divine from such an unusual perspective the reader would be able to see the errors in mankind's beliefs about the Divine as well as the hidden identities of such Divine personalities like the Prophet Elijah John the Baptist and Jesus Christ including secular personalities like Abraham Lincoln and John F Kennedy The errors in our beliefs about the Divine are expressed in satire and are meant to elicit humor particularly for those who falsely claim Christhood The book also attempts to bring out the common denominators between human and Divine endeavors

Journal of Biblical and Theological Studies, Issue 7.2 Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2023-09-15 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics [The Way of the Platonic Socrates](#) S. Montgomery Ewegen, 2020-09-01 This extraordinary new work by the philosopher and author of Plato's Cratylus has given us nothing less than a radically new Socrates Michael Naas author of Plato and the Invention of Life Who is Socrates While most readers know him as the central figure in Plato's work he is hard to characterize In this book S Montgomery Ewegen opens this long standing and difficult question once again Reading Socrates against a number of Platonic texts Ewegen sets out to understand the way of Socrates Looking closely at the Socrates that emerges from the dramatic and philosophical contexts of Plato's works Ewegen considers questions of withdrawal retreat powerlessness poverty concealment and release and how they construct a new view of this powerful but strange and uncanny figure Ewegen's withdrawn Socrates forever evades rigid interpretation and must instead remain a deep and insoluble question **Platonism and Christian Thought in Late Antiquity** Panagiotis G. Pavlos, Lars Fredrik Janby, Eyjólfur Kjalar Emilsson, Torstein Theodor Tollefsen, 2019-06-07 Platonism and Christian Thought in Late Antiquity examines the various ways in which Christian intellectuals engaged with Platonism

both as a pagan competitor and as a source of philosophical material useful to the Christian faith The chapters are united in their goal to explore transformations that took place in the reception and interaction process between Platonism and Christianity in this period The contributions in this volume explore the reception of Platonic material in Christian thought showing that the transmission of cultural content is always mediated and ought to be studied as a transformative process by way of selection and interpretation Some chapters also deal with various aspects of the wider discussion on how Platonic and Hellenic philosophy and early Christian thought related to each other examining the differences and common ground between these traditions Platonism and Christian Thought in Late Antiquity offers an insightful and broad ranging study on the subject which will be of interest to students of both philosophy and theology in the Late Antique period as well as anyone working on the reception and history of Platonic thought and the development of Christian thought

A Biblical Approach to Mission in Context Michael Ufok Udoekpo, 2022-12-19 A Biblical Approach to Mission in Context is an erudite collection of twenty essays with forewords and epilogue produced to honor Professor Teresa Okure s contribution to the study of biblical theology in context It also stands in its own right as a vade mecum of current trends in biblical scholarship gender and contextual hermeneutics Written by an international array of respected scholars Okure s colleagues former students siblings and fellow commentators this volume includes detailed exegetical studies discussion on theological methods and contextual approaches from a variety of standpoints and an effort to relate biblical exegesis theology and inculturation faith hermeneutics to the current interest in social contextual interpretation that reflects values beyond the African context In sum the breadth of interests and enthusiasm found in this volume is a testimony to the intellectual and pastoral vitalities and passion that Teresa Okure herself brought to the discipline of biblical studies The brief narrative of personal encounter written by Bernadette Okure SHCJ forewords by John Cardinal Onaiyekan and Bishop Camillus Raymond Umoh as well as an insightful epilogue by Fr Aniedi Okure OP provide additional insight into the historical and socio cultural contexts within which Okure s formation and contributions unfolded

Faith as Imagination Gerald J.

Bednar,1996-11 LynchOs work on the Platonic analogical imagination as instrument and entry into faith gets the attention it merits Bednar examines LynchOs concepts in detail the interconnectedness of faith and imagination the role of imagination in giving new images to faith the Oironic Christic image O the difference between imagination in drama and fantasy the paradigm shift from scholastic to modern understanding of faith Bednar clears the way for faith as imagination to accommodate conflicting opinions on some significant religious issues **Holy Scriptures in Judaism, Christianity and Islam** H. M. Vroom,Jerald D. Gort,1997 **Depths As Yet Unspoken** Roland Faber,2020-07-30 Whitehead s thought continues to attract attention in mathematics and metaphysics but few have recognized with Roland Faber the deeply mystical dimensions of his philosophy If you like to phrase it so Whitehead states philosophy is mystical For mysticism is direct insight into depths as yet unspoken Where however do these unspoken depths speak in Whitehead and what are their associated themes in his philosophy For the first time Depths As Yet Unspoken gathers together Faber s most compelling writings on Whitehead s mutually immanent themes of mysticism multiplicity and divinity In dialogue with a diversity of voices from process philosophers and theologians to mystical and poststructuralist thinkers Faber creatively articulates Whitehead s theopoetic process cosmogony in its relevance to metaphysics cosmology everyday experience religious pluralism and interreligious violence spirituality and longstanding concerns of the theological tradition including creation the Trinity revelation religious experience and divine mystery Although Whitehead s mystical inclinations may not be obvious at first they in fact constitute the apophatic backdrop to his entire philosophical corpus Through Faber s work Whitehead s philosophy is revealed to be nothing short of a remarkable endeavor to speak to the unfathomable depth of things **Plato's Statesman** John Sallis,2016-11-28 Explores the interplay between the dramatic form of the dialogue and the basic themes it addresses The Statesman is among the most widely ranging of Plato s dialogues bringing together in a single discourse disparate subjects such as politics mathematics ontology dialectic and myth The essays in this collection consider these subjects and others focusing in particular on the dramatic form of the dialogue They take into account not only what is said but also how it is said by whom and to whom it is said and when and where it is said In this way the contributors approach the text in a manner that responds to the dialogue itself rather than bringing preconceived questions and scholarly debates to bear on it The essays are especially attuned to the comedic elements that run through much of the dialogue and that are played out in a way that reveals the subject of the comedy In the Statesman these comedies reach their climax when the statesman becomes a participant in a comedy of animals and thereby is revealed in his true nature

A Paradigm Of The Divine Introduction

In today's digital age, the availability of A Paradigm Of The Divine books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of A Paradigm Of The Divine books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of A Paradigm Of The Divine books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing A Paradigm Of The Divine versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, A Paradigm Of The Divine books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing A Paradigm Of The Divine books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for A Paradigm Of The Divine books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, A Paradigm Of The Divine books and manuals for download have transformed the way we access

information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of A Paradigm Of The Divine books and manuals for download and embark on your journey of knowledge?
