A Passion For Interiors A Private Tour:

Interiors and Narrative Estela Vieira, 2012-12-17 *Interiors and Narrative* shows how crucial interiors are for our understanding of the nature of narrative. A growing cultural fascination with interior dwelling so prevalent in the late nineteenth century parallels an intensification of the rhetorical function interior architecture plays in the development of fiction. The existential dimension of dwelling becomes so intimately tied to the novelistic project that fiction surfaces as a way of inhabiting the world. This study illustrates this through a comparative reading of three realist masterpieces of the Luso-Hispanic nineteenth century: Machado de Assis's *Quincas Borba* 1891, Eça de Queirós's *The Maias* 1888, and Leopoldo Alas's *La Regenta* 1884-1885. The first full-length study to juxtapose the renowned writers, *Interiors and Narrative* analyzes the authors' spatial poetics while offering new readings of their work. The book explores the important links between interiors and narrative by explaining how rooms, furnishings, and homes function as metaphors for the writing of the narrative, reflecting on the complex relation between private dwellings and human interiority and arguing that the interior design of rooms becomes a language that gives furnishings and decorative objects a narrative life of their own. The story of homes and furnishings in these narratives creates a semiotic language that both readers and characters rely on in order to make sense of fiction and reality. *Interior*, 1918. [Interior, Environment, and Related Agencies Appropriations for 2011: Voices from our Native American communities](#) United States. Congress. House. Committee on Appropriations. Subcommittee on Interior, Environment, and Related Agencies, 2010. **Queering the Interior** Andrew Gorman-Murray, Matt Cook, 2020-06-11. *Queering the Interior* problematizes the familiar space of home. It deploys a queer lens to view domestic interiors and conventions and uncovers some of the complexities of homemaking for queer people. Each of the book's six sections focuses on a different room or space inside the home. The journey starts with entryways and continues through kitchens, living spaces, bedrooms, bathrooms, and finally closets and studies. In each case, up to three specialists bring their disciplinary expertise and queer perspectives to bear. The result is a fascinating collection of essays by scholars from literary studies, geography, sociology, anthropology, history, and art history. The contributors use historical and sociological case studies, spatial art, and literary analyses, interviews, and experimental visual approaches to deliver fresh, detailed, and grounded perspectives on the home and its queer dimensions. A highly creative approach to the analysis of domestic spaces. *Queering the Interior* makes an important contribution to the fields of gender studies, social and cultural history, cultural studies, design, architecture, anthropology, sociology, and cultural geography.
