A Poet Of The Invisible World A Novel:

A Poet of the Invisible World Michael Golding, 2015-10-06 A Poet of the Invisible World follows a boy named Nouri born in thirteenth century Persia with four ears instead of two Orphaned as an infant he is taken into a Sufi order where he meets an assortment of dervishes and is placed upon a path toward spiritual awakening As he stumbles from one painful experience to the next he grows into manhood Each trial he endures shatters another obstacle within and leads Nouri on toward transcendence

Henry VIII and His Court; A Historical Novel Luise Mühlbach, 2025-09-01 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

The Book of Unknowing David S. Herrstrom, 2012-03-29 The Book of Unknowing meditates on John's confrontation with the incandescent Jesus a figure of our desire for immortality Guiding us through the Gospel's coming to grips with Jesus the poet David Sten Herrstrom prefers sparking the imagination to arguing a thesis as he explores John's own obsessions such as image light symbol water sign water to wine shapeliness symmetry loves Peter Mary's and above all words the Word the body of Jesus The result is a heady literary engagement not afraid of wit and paradox For anyone who loves literature or whose business is interpretation ministers and teachers this book blossoms with fresh revelations about the many voices of Jesus living in the House of the Interpreter and interacting with another interpreter Nicodemus as well as about John the interpreter who continually pauses to explain Jesus motives metaphors and the meaning of his death This meditation on John's Gospel takes the goat's leaping approach to the craggy language of John and Jesus rather than the methodical rock climber's And along the way to help him find footholds on the how and why of John's strategies the author calls on other poets from William Blake to Emily Dickinson and Miguel de Unamuno The result a poet's rather than a preacher's theologian's or scholar's reading of John's book one which crosses the borders of disciplines Throughout The Book of Unknowing David Herrstrom is unsettled and exhilarated by the peculiar orneriness and fragrance of John's book by its strange particulars that grab him by the throat and call lives into question As William Blake has said Exuberance is Beauty and this is an exuberant book

The Invisible World is in Decline Bruce Whiteman, 2000 This continuing prose poem attempts to come to terms with some of the most basic human experiences from sex and language to the central place of light in our lives Book V expands upon these obsessions particularly the relationship between the body and the world and the experience of light it adds a number of new ones as well The failed artist is imagined as a consummate forger expertly capable of mimicry but wholly a fraud at any genuine work or feeling A religious impetus largely unstated until now begins to be consecrated in this book with a series of short lyric poems concerning the redemptive qualities of love
