A Political History Of The Bible In America

**Morton Keller Professor of History
Brandeis University**

A Political History Of The Bible In America:

A Political History of the Bible in America Paul D. Hanson, 2015-08-24 Biblical history enriched by many religious and cultural traditions flows into and is intertwined with our nation's epic both for better and for worse To ignore that history is to cut ourselves off from our roots and to deny the ancestral experiences that forged our individual and collective identity from the prologue This substantial work explores the interplay of religion and politics throughout the history of the United States Paul D Hanson traces American history back to colonial times paying close attention to the role that biblical tradition has played in shaping the national story of the United States He then presents a detailed study of politics in the Bible that is framed by the challenges and crises in American history Students will learn how deeply religion has influenced both domestic and international policy and contributed to the nation's sense of identity and purpose After laying these biblical historical foundations Hanson considers a method of biblical interpretation that can speak to the diverse nation of today He proposes an inclusive form of public moral discourse that invites full participation by members of all religious and philosophical groups

America's Three Regimes : A New Political History Morton Keller Professor of History Brandeis University, 2007-09-26 When historians take the long view they look at ages or eras the Age of Jackson the Progressive Era But these time spans last no longer than a decade or so In this groundbreaking new book Morton Keller divides our nation s history into three regimes each of which lasts many many decades allowing us to appreciate as never before the slow steady evolution of American public life Americans like to think of our society as eternally young and effervescent But the reality is very different A proper history of America must be as much about continuity persistence and evolution as about transformation and revolution To provide this proper history Keller groups America s past into three long regimes Deferential and Republican from the colonial period to the 1820s Party and Democratic from the 1830s to the 1930s and Populist and Bureaucratic from the 1930s to the present This approach yields many new insights We discover for instance that the history of colonial America the Revolution and the Early Republic is a more unified story than usually assumed The Civil War industrialization and the Progressive era did relatively little to alter the character of the democratic party regime that lasted from the 1830s to the 1930s And the populist bureaucratic regime in which we live today has seen changes in politics government and law as profound as those that occurred in the late 18th and early 19th centuries As Keller underscores the sheer staying power of America s public institutions he sheds light on current concerns as well in particular will the current political polarization continue or will more moderate forces prevail Here then is a major contribution to United States history an entirely new way to look at our past our present and our future packed with provocative and original observations about American public life

The Bible in the American Experience Claudia Setzer, David A. Shefferman, 2020-09-07 An interdisciplinary investigation of the Bible s place in American experience Much has changed since the Society of Biblical Literature s Bible in American Culture series was published in the 1980s but the influence of the Bible has not waned In the United States the stories themes and characters of the Bible continue to shape art literature music politics education and social movements to varying degrees In this volume contributors highlight new approaches that move beyond simple citation of texts and explore how biblical themes infuse US culture and how this process in turn transforms biblical traditions Features An examination of changes in the production transmission and consumption of the Bible An exploration of how Bible producers disseminate US experiences to a global audience An assessment of the factors that produce widespread myths about and nostalgia for a more biblically grounded nation

God's Apocalyptic Insurrection Richard D. Crane, 2024-10-15 What if our inherited theologies of salvation are distorted by a sinful

history that includes white supremacy slavery and colonial conquest What if we perpetuate this distortion by continuing to imagine salvation as a legal transaction by which we are saved by God from divine punishment If salvation merely rectifies the individual s standing before God justice and human flourishing are viewed as peripheral to the gospel This book begins with a bit of deconstruction But the real need is construction or perhaps the discovery of another soteriological imagination To be saved is to be drawn into union with Jesus Messiah the bringer of the now and future reign of God where all things are rectified Jesus s life death and resurrected body are the space where a disordered creation is put right Jesus is God s apocalyptic insurrection against every power that dehumanizes harms and destroys human persons We are saved by the triune God by God s gracious acceptance that cannot be earned But we are saved for participation in the invasion of God s reign of justice healing and transformation Salvation has everything to do with caring for refugees resisting systemic racial and other injustices food for the hungry and valuing human persons as Christ incognito Religion and the Rise of Capitalism Benjamin M. Friedman, 2022-01-11 From one of the nation s preeminent experts on economic policy a major reassessment of the foundations of modern economic thinking that explores the profound influence of an until now unrecognized force religion Friedman has given us an original and brilliant new perspective on the terrifying divisions of our own times No book could be more important George A Akerlof Nobel Laureate in Economics Critics of contemporary economics complain that belief in free markets among economists as well as many ordinary citizens is a form of religion And it turns out that in a deeper more historically grounded sense there is something to that idea Contrary to the conventional historical view of economics as an entirely secular product of the Enlightenment Benjamin M Friedman demonstrates that religion exerted a powerful influence from the outset Friedman makes clear how the foundational transition in thinking about what we now call economics beginning in the eighteenth century was decisively shaped by the hotly contended lines of religious thought within the English speaking Protestant world Beliefs about God given human character about the after life and about the purpose of our existence were all under scrutiny in the world in which Adam Smith and his contemporaries lived Friedman explores how those debates go far in explaining the puzzling behavior of so many of our fellow citizens whose views about economic policies and whose voting behavior seems sharply at odds with what would be to their own economic benefit Illuminating the origins of the relationship between religious thinking and economic thinking together with its ongoing consequences Friedman provides invaluable insights into our current economic policy debates and demonstrates ways to shape more functional policies for all citizens The Bible in American Law, Politics, and Political Rhetoric James Turner Johnson, 1985 **Reading the Bible with the Founding Fathers** Daniel L. Dreisbach, 2017 No book was more accessible or familiar to the American founders than the Bible and no book was more frequently alluded to or quoted from in the political discourse of the age How and for what purposes did the founding generation use the Bible How did the Bible influence their political culture Shedding new light on some of the most familiar rhetoric of the founding era Daniel

Dreisbach analyzes the founders diverse use of scripture ranging from the literary to the theological He shows that they looked to the Bible for insights on human nature civic virtue political authority and the rights and duties of citizens as well as for political and legal models to emulate They quoted scripture to authorize civil resistance to invoke divine blessings for righteous nations and to provide the language of liberty that would be appropriated by patriotic Americans Reading the Bible with the Founding Fathers broaches the perennial question of whether the American founding was to some extent informed by religious specifically Christian ideas In the sense that the founding generation were members of a biblically literate society that placed the Bible at the center of culture and discourse the answer to that question is clearly yes Ignoring the Bible s influence on the founders Dreisbach warns produces a distorted image of the American political experiment and of the concept of self government on which America is built

The Oxford Handbook of the Bible in America Paul Gutjahr, 2017-11-01 Early Americans have long been considered A People of the Book Because the nickname was coined primarily to invoke close associations between Americans and the Bible it is easy to overlook the central fact that it was a book not a geographic location a monarch or even a shared language that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture Few books can lay claim to such powers of civilization altering influence Among those which can are sacred books and for Americans principal among such books stands the Bible This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation s politics and foreign policy This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the Bible s role in American cultural formation

A Political History Of The Bible In America Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading A Political History Of The Bible In America free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading A Political History Of The Bible In America free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading A Political History Of The Bible In America free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading A Political History Of The Bible In America. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading A Political History Of The Bible In America any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About A Political History Of The Bible In America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
