J. Simpson Facts and Fictions** Darnell M. Hunt, 1999-04-15 Analyses media coverage of O J Simpson trial and divided reactions of White and African Americans **Introduction to Criminal Justice** Kenneth J. Peak, Tamara D. Madensen-Herold, 2019-12-05 The best selling Introduction to Criminal Justice Practice and Process uses a practical applied approach to teach students the foundations of the U S criminal justice system Award winning authors Kenneth J Peak and Tamara D Madensen Herold draw on their many years of combined practitioner and academic experience to explain the importance of criminal justice and show how key trends emerging issues and practical lessons can be applied in the field The Fourth Edition keeps students up to date with new content on recent cases cybercrime policing strategies drug abuse human trafficking terrorism immigration and much more This title is accompanied by a complete teaching and learning package **Anatomy of a Trial** Jerrienne Hayslett, 2013-04-23 The People vs O J Simpson ranks indisputably as the trial of the century It featured a double murder a celebrity defendant a perjuring witness and a glove that didn't fit The trial became a media circus of outrageous proportions that led the judge to sequester the jury eject disruptive reporters and fine the lawyers thousands of dollars Now an insider at The People vs O J Simpson reveals the untold story of the most widely followed trial in American history and the indelible impact it has had on the judiciary the media and the public As the Los Angeles Superior Court's media liaison Jerrienne Hayslett had unprecedented access to the trial and met with Judge Lance Ito daily as she attempted sometimes unsuccessfully to mediate between the court and members of the media and to balance their interests In Anatomy of a Trial she takes readers behind the scenes to shed new light on people and proceedings and to show how the media and the trial participants changed the court media landscape to the detriment of the public's understanding of the judicial system For those who think they've already read all there is to know about the Simpson trial this book is an eye opener Hayslett kept a detailed journal during the proceedings in which she recorded anecdotes and commentary She also shares previously undisclosed information to expose some of the myths and

stereotypes perpetuated by the trial while affirming other stories that emerged during that time By examining this trial after more than a decade she shows how it has produced a bunker mentality in the judicial system shaping media and public access to courts with lasting impact on such factors as cameras in the courtroom jury selection admonishments from the bench and fair trial free press tensions The first account of the trial written with Judge Ito's cooperation *Anatomy of a Trial* is a page turning narrative and features photographs that capture both the drama of the courtroom and the excesses of the media It also includes perspectives of legal and journalism authorities and offers a blueprint for how the courts and media can better meet their responsibilities to the public Even today judges lawyers and journalists across the country say the Simpson trial changed everything This book finally tells us why
