 of mental disability used to reinforce slavery and Jim Crow And how did Black people express alternative ideas about
 individual and communal mental health Diana Martha Louis explores Black experiences and views of mental disability in the
 nineteenth century shedding light on the lives and struggles of the colored insane She demonstrates how psychiatric
 discourses made Blacks mad both by inflicting real psychological harm within asylums plantations jails and society writ large
 and by constructing mental disorders according to prevailing notions of race class gender and sanity Yet even as white
 medical professionals pathologized the enslaved as suffering from drapetomania runaway slave syndrome portrayed slavery
 as beneficial to Black mental health or cast African derived spiritual beliefs and practices as signs of madness Black people
 developed their own complex perspectives on mental disability Louis considers the lives and writings of Black intellectuals

 of Black women who were incarcerated in Georgia Lunatic Asylum showing how mental disability was entangled with
 questions of freedom spirituality and self determination Combining literary and historical analysis *Colored Insane* is a rich
