Ambition and Survival Christian Wiman, 2013-06-14 That calling at once religious ethical and aesthetic is one that only a genuine poet can hear and very few poets can explain it as compellingly as Mr Wiman does That gift is what makes *Ambition and Survival* not just one of the best books of poetry criticism in a generation but a spiritual memoir of the first order New York Sun This weighty first prose collection should inspire wide attention partly because of Wiman's current job partly because of his astute insights and partly because he mixes poetry criticism with sometimes shocking memoir The collection's greatest strength comes in general ruminations on the writing reading and judging poetry Publishers Weekly Wiman is a terrific personal essayist as this new collection illustrates with the command and instincts of the popular memoirist This is a brave and bracing book Booklist Blazing high style is how The New York Times describes the prose of Christian Wiman the young editor transforming Poetry the country's oldest literary magazine *Ambition and Survival* is a collection of stirring personal essays and critical prose on a wide range of subjects reading Milton in Guatemala recalling violent episodes of his youth and traveling in Africa with his eccentric father as well as a series of penetrating essays on writers as diverse as Thomas Hardy and Janet Lewis The book concludes with a portrait of Wiman's diagnosis of a rare form of incurable and lethal cancer and how mortality reignited his religious passions When I was twenty years old I set out to be a poet That sounds like I was a sort of frigate raising anchor and in a way I guess I was though susceptible to the lightest of winds When I read Samuel Johnson's comment that any young man could compensate for his poor education by reading five hours a day for five years that's exactly what I tried to do practically setting a timer every afternoon to let me know when the little egg of my brain was boiled It's a small miracle that I didn't take to wearing a cape Christian Wiman is the editor of Poetry magazine His poems and essays appear regularly in The New Yorker The Atlantic Monthly Harper's and The New York Times Book Review *The Insomniac Liar of Topo* Norman Dubie, 2007 Norman Dubie is a trickster purveyor of illusions whose devout readership expects the unexpected *Twigs and Knucklebones* Sarah Lindsay, 2003 Presents a collection of surreal poems that blend science and art
