

A ROPE AND A PRAYER

THE STORY OF A KIDNAPPING

DAVID ROHDE *and* KRISTEN MULVIHILL

"Amazing . . . Not merely a story of human captivity, but also a tale of marriage, friendship, patience, and faith." —ELIZABETH GILBERT, AUTHOR OF EAT, PRAY, LOVE

A Rope And A Prayer The Story Of A Kidnapping

David Rohde

A Rope And A Prayer The Story Of A Kidnapping:

A Rope and a Prayer David Rohde, Kristen Mulvihill, 2011-11-01 The compelling and insightful account of a New York Times reporter's abduction by the Taliban and his wife's struggle to free him In November 2008 David Rohde a Pulitzer Prize winning correspondent for The New York Times was kidnapped by the Taliban and held captive for seven months in the tribal areas of Pakistan In the process Rohde became the first American to witness how Pakistan's powerful military turns a blind eye toward a Taliban minstate thriving inside its borders In New York David's wife Kristen Mulvihill together with his family kept the kidnapping secret for David's safety and struggled to navigate a labyrinth of conflicting agendas misinformation and lies Part memoir part work of journalism **A Rope and a Prayer** is a story of duplicity faith resilience and love **Beyond War** David Rohde, 2013-04-18 A groundbreaking look at America's role in the Middle East from the Pulitzer Prize winning author of **A Rope and a Prayer** Distilling eleven years of expert reporting for the New York Times Reuters and the Atlantic two time Pulitzer Prize winner David Rohde presents an incisive look at the calamitous privatization of the war on terror **Beyond War** is a clarion call for change in American policies and attitudes toward a rapidly changing Middle East Rohde argues that using lethal force is necessary at times but economic growth and Muslim moderates not American soldiers will eradicate militancy in the long term Vast mistakes have been made but it is not too late By scaling back our ambitions focusing on economics and working with Muslim moderates we will achieve more **Endgame** David Rohde, 2012-05-29 Powerful definitive Rohde tells the Srebrenica story with all the shades of gray the truth demanded The Washington Post In 1996 at the height of the Bosnian wars a correspondent for The Christian Science Monitor named David Rohde uncovered a horrifying story that became an enduring symbol of the genocidal nature of that conflict earning him his first Pulitzer Prize **Endgame** is the full length narrative of the nightmare he stumbled upon in the town of Srebrenica where a massacre of historic proportions has been allowed to happen due to the negligence of the United States NATO and the United Nations Told through the eyes of the soldiers peacekeepers and civilians who were there this is a vital unforgettable work of history about an atrocity that could have been prevented **Crisis Lawyering** Ray Brescia, Eric K. Stern, 2024-09-03 Shines a light on the emerging field of law dedicated to responding to and resolving the crises of the twenty first century In an increasingly globalized world a complex and interlocking web of nations governments non state actors laws and rules affect human behavior When crisis hits whether that be extrajudicial detention unprompted deportation pandemics or natural disasters lawyers are increasingly among the first responders equipped with the knowledge necessary to navigate the regulations of this ever more complex world **Crisis Lawyering** explores this phenomenon and attempts to identify and define what it means to engage in the practice of law in crisis situations In so doing it hopes to sketch out the contours of the emerging field of crisis lawyering Contributors to this volume explore cases surrounding domestic violence dealing with immigrants in detention and banned from travel policing in Ferguson Missouri the kidnapping of journalists and climate change among other crises Their analysis

not only serves as guidance to lawyers in such situations but also helps others who deal with crises understand those crises and the role of lawyers in them better so that they may respond to them more effectively efficiently collaboratively and creatively Crisis Lawyering shines a light on the emerging field of law dedicated to responding to and resolving the complex crises of the twenty first century The Unquiet American Derek Chollet, Samantha Power, 2011-11-08 Richard Holbrooke who died in December 2010 was a pivotal player in U S diplomacy for more than forty years Most recently special envoy for Iraq and Afghanistan under President Obama Holbrooke also served as assistant secretary of state for both Asia and Europe and as ambassador to both Germany and the United Nations He had a key role in brokering a peace agreement among warring factions in Bosnia that led to the Dayton Peace Accords in 1995 Widely regarded to possess one of the most penetrating minds of any modern diplomat of any nation Holbrooke was also well known for his outsized personality and his capacity to charm and offend in equally colossal measures In this book the friends and colleagues who knew him best survey his accomplishments as a diplomat activist and author Excerpts from Holbrooke s own writings further illuminate each significant period of his career The Unquiet American is both a tribute to an exceptional public servant and a backstage history of the last half century of American foreign policy **In Deep** David Rohde, 2020-04-21 Revised and updated One of today s most respected journalists David Rohde takes on one of the country s most toxic conspiracy theories presenting a scrupulously reported and even handed account of how power and intelligence are exploited in Washington that goes deep indeed inside America s security state telling a story that will surprise readers of all political persuasions Jane Mayer author of Dark Money Donald Trump blamed his 2020 defeat on Democrats and the deep state a supposed secret cabal of Washington insiders that relentlessly encroaches on the individual rights of Americans for stealing the election and undermining his presidency Most Americans who supported him agreed Americans on the left increasingly fear the military industrial complex a faction of generals and defense contractors who they believe routinely push the country into endless wars But does the American deep state really exist This question is fundamental to preserving the legitimacy of American democracy as frustration with and distrust for the government continue to grow In Deep seeks to dispel these pernicious myths through an examination of the FBI CIA and Justice Department scandals of the past fifty years from the Church Committee s exposure of Cold War abuses to the claims and counterclaims of the Trump era and the relentless spread of conspiracy theories online and on air It exposes the misconduct of Attorney General William Barr how distrust of the deep state undermined the US government response to the COVID 19 pandemic and the growing discord sowed by the explosion of false information online It investigates Trump s quest to discredit government experts the legislative and judicial branches and the results of the 2020 election and assume authoritarian power for himself The idea of the deep state Rohde writes is inextricably linked to a particular view of presidential power Dina Temple Raston Washington Post Based on dozens of interviews with career CIA operatives and FBI agents In Deep is a wholly satisfying read and a necessary one for anyone

wanting to understand the forces at play in our government today Andrea Bernstein Peabody Award winning cohost of the Trump Inc podcast and author of *American Oligarchs* A Rope and a Prayer David Rohde, 2010 Our Man George Packer, 2019-05-07 Finalist for the Pulitzer Prize for Biography Winner of the Los Angeles Times Prize for Biography Winner of the 2019 Hitchens Prize Portrays Holbrooke in all of his endearing and exasperating self-willed glory Both a sweeping diplomatic history and a Shakespearean tragicomedy If you could read one book to comprehend American's foreign policy and its quixotic forays into quicksands over the past 50 years this would be it Walter Isaacson The New York Times Book Review By the end of the second page maybe the third you will be hooked There never was a diplomat activist quite like Holbrooke and there seldom has been a book quite like this sweeping and sentimental beguiling and brutal catty and critical much like the man himself David M Shribman The Boston Globe Richard Holbrooke was brilliant utterly self-absorbed and possessed of almost inhuman energy and appetites Admired and detested he was the force behind the Dayton Accords that ended the Balkan wars America's greatest diplomatic achievement in the post Cold War era His power lay in an utter belief in himself and his idea of a muscular generous foreign policy From his days as a young adviser in Vietnam to his last efforts to end the war in Afghanistan Holbrooke embodied the postwar American impulse to take the lead on the global stage But his sharp elbows and tireless self-promotion ensured that he never rose to the highest levels in government that he so desperately coveted His story is thus the story of America during its era of supremacy its strength drive and sense of possibility as well as its penchant for overreach and heedless self-confidence In *Our Man* drawn from Holbrooke's diaries and papers we are given a nonfiction narrative that is both intimate and epic in its revelatory portrait of this extraordinary and deeply flawed man and the elite spheres of society and government he inhabited *Bending History* Martin S. Indyk, Kenneth G. Lieberthal, Michael E. O'Hanlon, 2012-02-24 By the time of Barack Obama's inauguration as the 44th president of the United States he had already developed an ambitious foreign policy vision By his own account he sought to bend the arc of history toward greater justice freedom and peace within a year he was awarded the Nobel Peace Prize largely for that promise In *Bending History* Martin Indyk Kenneth Lieberthal and Michael O'Hanlon measure Obama not only against the record of his predecessors and the immediate challenges of the day but also against his own soaring rhetoric and inspiring goals *Bending History* assesses the considerable accomplishments as well as the failures and seeks to explain what has happened Obama's best work has been on major and pressing foreign policy challenges counterterrorism policy including the daring raid that eliminated Osama bin Laden the reset with Russia managing the increasingly significant relationship with China and handling the rogue states of Iran and North Korea Policy on resolving the Israeli-Palestinian conflict however has reflected serious flaws in both strategy and execution Afghanistan policy has been plagued by inconsistent messaging and teamwork On important softer security issues from energy and climate policy to problems in Africa and Mexico the record is mixed As for his early aspiration to reshape the international order according greater roles and responsibilities to

rising powers Obama's efforts have been well conceived but of limited effectiveness On issues of secondary importance Obama has been disciplined in avoiding fruitless disputes as with Chavez in Venezuela and Castro in Cuba and insisting that others take the lead as with Qaddafi in Libya Notwithstanding several missteps he has generally managed well the complex challenges of the Arab awakenings striving to strike the right balance between U S values and interests The authors see Obama's foreign policy to date Bending History Martin Indyk, Kenneth Lieberthal, Michael E. O'Hanlon, 2012-03-06 A trio of prominent foreign policy experts present the first serious book length appraisal of Barack Obama's foreign policy arguing that Obama thus far has above all been a foreign policy pragmatist tackling one issue at a time in a thoughtful way
