BFF'S Brenda Hampton, 2014-01-28 Kayla Evelyn and Trina have been on and off again girlfriends for many years but the lines of true friendship will be crossed the knives that go into another friend's back will cut deep trust will not apply and no one will share their dirty little secrets With enough backstabbing finger pointing and disrespect to go around this trio sticks to their motto of What she can do I can do better and whatever she has I want a piece of it too Much competition is thrown in the mix and jealousy is so thick that there will be no place for anyone to run when the mess hits the fan Only then will they attempt to put their many differences aside but when severe damage is already done it may be possible to forgive but certainly not to forget **BFF'S 2** Brenda Hampton, 2015-02-01 Kayla thought that her best friends Evelyn and Trina were supposed to always have her back but when she discovers that Evelyn has been creeping with her husband Cedric and Trina has known about the ongoing affair for quite some time Kayla is ready to cut ties and leave her so called friends behind Their actions have shown how scheming they truly are Of course they are no more manipulative than Cedric who lies in a hospital bed clinging to life The person who attempted to silence him is now behind bars but just because one scorned woman is out of the picture it doesn't mean he's in the clear He may not be able to utilize his joystick for a while but his millions are still in play Evelyn is eager to get her hands on his money and pregnant with his child she envisions a bright future ahead She has a serious need for greed greed that also makes her hungry for Trina's beau Keith He displays a deep concern for the troublesome BFF's but his involvement may have him confessing to Trina that whatever Evelyn wants she will eventually get
