A Missionary God Gave Wings:

A Missionary God Gave Wings Bob C Green,2015-10-01 Dr Bob Green surrendered his life to serve the Lord Jesus Christ preaching the Gospel at a very early age As a boy he had dreamed of becoming a pilot While in Bible College he realized that aviation could be a valuable tool for fulfilling his calling as a missionary preacher This book was written with thanksgiving to the Lord in heaven for making it possible to see his dream become reality The book shares many of the aviation experiences of Dr Green and some of those of his associates His sincere desire is that Christians will be challenged to delight themselves in the Lord and allow Him to make their desires a reality too for the good of others and the glory of God the Father

A Wing and a Prayer Katharine Jefferts Schori,2007-01-01 A Wing and a Prayer offers profound truths and vivid images of a more peaceful and just world This powerful book will inspire people of faith and seekers alike to make its vision real Rev Dr Katharine Henderson author of God's Troublemakers How Women of Faith Are Changing the World Katharine Jefferts Schori is a bishop on the move She pilots her plane to remote parishes around the sprawling Diocese of Nevada and shares her passionate message of reconciliation and peace As the first female primate in the 500 year history of Anglicanism she has the opportunity to speak to a far wider audience A collections of micro sermons grouped thematically around issues like social justice the deep love of God the need for interfaith understanding and the responsibility of all baptized persons to participate in lay ministry Jefferts Schori speaks from an Episcopalian perspective but also draws on Orthodox Catholic and other Protestant traditions making this a thoughtful resource for many different Christian denominations Publishers Weekly Read this book as a series of daily meditations and by the end of it you will not only know Bishop Katharine better but you will find yourself filled with a livelier hope reenergized for the ministry and mission of all of us baptized in Christ The Rev Linda Lee Clader Ph D Dean of Academic Affairs and Professor of Homiletics Church Divinity School of the Pacific

The Christian treasury (and missionary review). ,1857 *The Watchman-examiner* ,1920 [A Wing and a Prayer](#) Harry H. Crosby,2021-09-14 A compelling account of the air war against Germany written by the navigator portrayed by Anthony Boyle in Apple TV's Masters of the Air Publishers Weekly They began operations out of England in the spring of 43 They flew their Flying Fortresses almost daily against strategic targets in Europe in the name of freedom Their astonishing courage and appalling losses earned them the name that resounds in the annals of aerial warfare and made the Bloody Hundredth a legend Harry H Crosby depicted in the miniseries Masters of the Air developed by Tom Hanks and Steven Spielberg arrived with the very first crews and left with the very last After dealing with his fear and gaining in skill and confidence he was promoted to Group Navigator surviving hairbreadth escapes and eluding death while leading thirty seven missions some of them involving two thousand aircraft Now in a breathtaking and often humorous account he takes us into the hearts and minds of these intrepid airmen to experience both the triumph and the white knuckle terror of the war in the skies Affecting A vivid account Uncommonly thoughtful recollections that address the moral

ambiguities of a great cause without in any way denigrating the selfless valor or camaraderie that helped ennoble it Kirkus Reviews Re creates for us the sense of how it was when European skies were filled with noise and danger when the fate of millions hung in the balance An evocative and excellent memoir Library Journal The acrid stench of fear and cordite the coal burning stoves the heroics the losses This has to be the best memoir I have read bar none George Hicks director of the Airmen Memorial Museum **Moses Was a Right-Wing Conservative** John L. Plough, 2001-03 Few characters in history have had such a profound effect on the modern world as Moses In popular film he has been portrayed by Mel Brooks Charlton Heston and recently Val Kilmer The worlds three major religions all claim him as a prophet and a founding father of their beliefs Recently the line dividing the conservative from the liberal has become a little fuzzy It is time we as a nation look to a great conservative leader of the past for guidance Moses Was a Right Wing Conservative seeks to demonstrate by analysis of the first five books of the bible what views Moses might have held on the topics that divide us today The reader will learn about Moses positions on Liberalism taxes leadership atheism sex marriage tolerance and family values These and other topics are covered in a way that polarizes the differences between the liberals and conservatives in a Non Politically Correct satirical format The reader will be educated inflamed and entertained at the same time **Missionary Voice** , 1913

ON THE EAGLE'S WING Emmanuel Ndiruwonsanga, 2013-12-10 This autobiographical novel completes three other books in which the same author talked about the survivors of the genocide in Rwanda Advised by his psychologists the author finally opens his Pandora s Box to release the memories that have paralyzed his life He not only recounts his horrific and harrowing experiences during the genocide of the Tutsis but also the difficult period after it as well as his life prior to that genocide This autobiographical novel is an open moving account of the entire life of the author truly a way of the cross He gives his testimony on his many narrow and miraculous escapes from death not only in his own country and at the hands of his own compatriots but also outside of Rwanda in the Congo the former Zaire where he spent three years under unbearable living conditions The author miraculously left his beloved country in Central Africa for Canada in North America In his own words he describes the life he had passed through in Rwanda as hell on earth while his life in his new country Canada is like paradise on earth Goody Wing, an American Foremother Beverly J. Vorpahl, Beverly Smith Vorpahl, 2001-11 Our Colonial grandmothers were much brighter and cheerier than the myth of dour stiff black and white women who have been so eternalized by Pilgrim era paintings Certainly do not color Deborah Bachiler Wing as wan and morose Like most foremothers Deborah was resolved and resolute determined to create a home out of a cabin in the midst of a primeval forest Deborah braved crossing the Atlantic as a widow with four young sons and her father the Reverend Stephen Bachiler an irascible fellow who attracted misfortune as though he were a magnet While their crusade to find religious freedom was thwarted in New England as it had been in England their experiences helped form the persevering character of America **Right-Wing Resurgence** Daryl Johnson, 2012-09-14 In 2008 there were 149 militia groups in the United States In 2009 that number more

than tripled to 512 and now there are nearly 600 In Right Wing Resurgence author Daryl Johnson offers a detailed account of the growth of right wing extremism and militias in the United States and the ever increasing threat they pose The author is an acknowledged expert in this area and has been an intelligence analyst working for several federal agencies for nearly 20 years The book is also a first hand insider s account of the DHS Right Wing Extremism report from the person who wrote it It is a truthful depiction of the facts circumstances and events leading up to the leak of this official intelligence assessment The leak and its aftermath have had an adverse effect on homeland security Because of its alleged mishandling of the situation the Department s reputation has declined in the intelligence and law enforcement communities and the analytical integrity of the Office of Intelligence and Analysis was undermined Most importantly the nation s security has been compromised during a critical time when a significant domestic terrorist threat is growing This book is replete with case studies and interviews with leaders which reveal their agendas how they recruit and how they operate around the country It presents a comprehensive account of an ever growing security concern at a time when this threat is only beginning to be realized and is still largely ignored in many circles
