They Were Eyewitnesses Nancy A. Almodovar, 2021-07-23 For many of today's Christians their go to style of proclaiming the faith is to share their own experiences While this may be a stepping stone to the conversation we should not remain on our subjective and unprovable experiences Rather Christians should use the pattern set forth in the New Testament by the apostles and evangelists the gospel of Jesus who died was buried and rose to life on the third day according to the Scriptures In this book the sermons of the apostles and evangelists will be looked into to see how they both proclaimed and defended the Christian faith giving all Christians the pattern to follow in their own opportunities to share the one true faith

Creedal Apologetics Nancy A. Almodovar, 2021-03-19 The Apostles Creed was used in two distinct ways by the early

Politics According to the Bible Wayne A. Grudem,2010 Should Christians be involved in political issues This comprehensive and readable book presents a political philosophy from the perspective that the Gospel pertains to all of life including politics Politics According to the Bible is an in depth analysis of conservative and liberal plans to do good for the nation evaluated in light of the Bible and

common sense Evangelical Bible professor and author of the bestselling book Systematic Theology Wayne Grudem unpacks and rejects five common views about Christian influence on politics: compel religion, exclude religion, all government is demonic, do evangelism not politics, and do politics not evangelism. Instead, he defends a position of significant Christian influence on government and explains the Bible's teachings about the purpose of civil government and the characteristics of good or bad governments. Grudem provides a thoughtful analysis of over fifty specific and current political issues dealing with: The protection of life, Marriage, the family and children, Economic issues and taxation, The environment, National defense, Relationships to other nations, Freedom of speech and religion, Quotas, and special interests. Throughout this book, he makes frequent application to the current policies of the Democratic and Republican parties in the United States, but the principles discussed here are relevant for any nation.

Apostles of Rock Jay R. Howard, John M. Streck, 2014-07-11

Apostles of Rock is the first objective comprehensive examination of the contemporary Christian music phenomenon. Some see CCM performers as ministers or musical missionaries, while others define them as entertainers or artists. This popular musical movement clearly evokes a variety of responses concerning the relationship between Christ and culture. The resulting tensions have splintered the genre and given rise to misunderstanding, conflict, and an obsessive focus on self-examination. As Christian stars Amy Grant, Michael W. Smith, DC Talk, and Sixpence None the Richer climb the mainstream charts, Jay Howard and John Streck talk about CCM as an important movement and show how this musical genre relates to a larger popular culture. They map the world of CCM by bringing together the perspectives of the people who perform, study, market, and listen to this music. By examining CCM lyrics, interviews, performances, web sites, and chat rooms, Howard and Streck uncover the religious and aesthetic tensions within the CCM community. Ultimately, the conflict centered around Christian music reflects the modern religious community's understanding of evangelicalism and the community's complex relationship with American popular culture.
