deal with the nation's top young actor. But the actor takes a public fall that threatens his reputation. Now the producers must act as missionaries to save the film, their families, and the young movie star. *Take One* Karen Kingsbury, 2009. Filmmakers Chase Ryan and Keith Ellison come to Hollywood to make a film with a great spiritual message but are waylaid by a temperamental actress, a botched production schedule, and their own insecurities as producers. **The Baxters Take One** Karen Kingsbury, 2009-03-24. Two unknown producers struggle to fulfill their dreams to change lives through the power of film. With millions of investors' dollars on the line, everything starts to fall apart, and they realize they may be in over their heads. Is it possible to beat the odds and make a movie unlike anything ever done before? Or will they lose everything in the process? Could they change the world before the world changes them? Filmmakers Chase Ryan and Keith Ellison left the mission field of Indonesia for the mission field of Hollywood with a dream bigger than both of them. Now they have done the impossible: raised enough money to produce a feature film with a message that could change the world. But as Chase and Keith begin shooting, their well-laid plans begin to unravel. With millions of dollars on the line, they make a desperate attempt to keep the film from falling apart, even as a temperamental actress, a botched production schedule, and their own insecurities leave little room for the creative and spiritual passion that once motivated them. Was God really behind this movie after all? A chance meeting and friendship with John Baxter could bring the encouragement they need to stay on mission and produce a movie that will actually change people's lives. In the midst of the questions and the cameras, is it possible to keep things above the line and make a movie unlike anything done before, or is the risk too great for everyone? Part of New York Times bestselling author Karen Kingsbury's beloved Baxter series that begins with *Redemption*, *Remember*, *Return*, and *Rejoice*, now streaming online. Inspirational women's fiction with plenty of heart and a thread of sweet romance. *Take Two* Karen Kingsbury, 2009. Setting Hollywood buzzing after a first collaboration, filmmakers Chase and Keith are approached for a second project, a situation that strains Chase's marriage and compels Keith's ambitious daughter to make questionable choices. Shades of Blue Karen Kingsbury, 2009-11-07. From 1 New York Times bestselling author Karen Kingsbury comes an emotional story of forgiveness and healing. In between a checkered past and a fairytale future, three people must find a way forward. Brad Cutler is a 28-year-old rising star at his New York ad agency, about to marry Laura James, the girl of his dreams. Anyone would agree he has it all: a great career, a beautiful and loving fiancée, and a fairytale life ahead of him. Until memories of his high school girlfriend Emma begin to torment him. Lost innocence and one very difficult choice flood his conscience, and he is no longer sure what the future will bring. Except for this: he must find his old love and make amends. Friends since childhood, Brad and Emma became a couple in high school before their relationship was forever altered by a single decision. Haunted by the past and confused about the future, Brad turns to God seeking forgiveness and redemption for the choice he and Emma made long ago. Brad, Emma, and Laura must work through the repercussions of a decision made as teenagers that continues to affect each one of them before any of them can look toward a new future.
