A New Geography Of Nigeria:

A New Geography of Nigeria Nwadike P. Iloje, 1972 *A New Geography of Nigeria* Nwadike P. Iloje, 1965 *A New Geography* John Miller Dow Meiklejohn, 1916 *A new geography of the world* World, 1903 *For a New Geography* Milton Santos, 2021-11-09 For the first time in English a key work of critical geography Originally published in 1978 in Portuguese *For a New Geography* is a milestone in the history of critical geography and it marked the emergence of its author Milton Santos 1926 2001 as a major interpreter of geographical thought a prominent Afro Brazilian public intellectual and one of the foremost global theorists of space Published in the midst of a crisis in geographical thought *For a New Geography* functioned as a bridge between geography's past and its future In advancing his vision of a geography of action and liberation Santos begins by turning to the roots of modern geography and its colonial legacies Moving from a critique of the shortcomings of geography from the field's foundations as a modern science to the outline of a new field of critical geography he sets forth both an ontology of space and a methodology for geography In so doing he introduces novel theoretical categories to the analysis of space It is in short both a critique of the Northern Anglo centric discipline from within and a systematic critique of its flaws and assumptions from outside Critical geography has developed in the past four decades into a heterogeneous and creative field of enquiry Though accruing a set of theoretical touchstones in the process it has become detached from a longer and broader history of geographical thought *For a New Geography* reconciles these divergent histories Arriving in English at a time of renewed interest in alternative geographical traditions and the history of radical geography it takes its place in the canonical works of critical geography **A New geography of European power? (Egmont papers 42)** James Rogers, **A New Geography on the Comparative Method** John Miller Dow Meiklejohn, 1908 *Landscapes and Landforms of Nigeria* Adetoye Faniran, Lawrence Kosoko Jeje, Olutoyin A. Fashae, Adeyemi O. Olusola, 2023-02-28 The book deals with the most striking landscapes and landforms of Nigeria Attention is paid to the diversity of geomorphic features found in the country from the coast to the extreme north approached geographically at the national regional and local scales with a view to highlight the combined influence of geological climatic biotic and anthropogenic influences as well as geoheritage potentials The topics and sites described range from the mainly depositional coastal lagoons and inlets the most prominent of which is the oil rich Niger Delta characterized by the mangrove and rain forest both of which have been seriously modified by human impact through the coastal lowlands and associated hill country with derived deciduous and dry forest vegetation the very prominent Niger Benue Trough and associated features the savanna semi desert covered high plains of the north and the Chad Basin each of which features spectacular landscapes and landforms including human made forms such as cities and cityscapes The book provides the readers with the opportunity to explore the variety of Nigerian landscapes and landforms through informative texts illustrated with color maps and photos it will be relevant to scientists scholars as well as others interested in the geology physical geography geomorphology

landscape tourism and other geoheritage related information about the country A History of West Africa Toyin Falola, 2023-12-29 This book introduces readers to the rich and fascinating history of West Africa stretching all the way back to the stone age and right up to the modern day Over the course of twenty seven short and engaging chapters the book delves into the social cultural economic and political history of West Africa through prehistory revolutions ancient empires thriving trade networks religious traditions and then the devastating impact of the Trans Atlantic slave trade and subsequent colonial rule The book reflects on the struggle for independence and investigates how politics and economics developed in the post colonial period By the end of the book readers will have a detailed understanding of the fascinating and diverse range of cultures to be found in West Africa and of how the region relates to the rest of the world Drawing on decades of teaching and research experience this book will serve as an excellent textbook for entry level History and African Studies courses as well as providing a perfect general introduction to anyone interested in finding out about West Africa
