"A Pioneer Woman Looks Back" is a poem from Bobbi Katz's collection We the People. In this poem Katz writes in the voice of Mary Stahler, a pioneer who moves to the frontier with her husband to take possession of a land grant.

A Pioneer Woman Looks Back

MARY STAHLER—KANSAS, 1874

by Bobbi Katz

"Free for the taking. At that price, YOU can buy . . . a garden in the West . . .
endless land and endless sky!"

5 We were just newlyweds.
 John said, "It seems best
 to grow with the country—
 raise our family out West."
 We were young. We were strong.
 How were we to know
10 land and sky could be cruel?
 We got ready to go.
 I smiled through my tears,
 as our loved ones waved good-bye.
 We crossed
15 the Mississippi
 for
 endless land . . . endless sky . . .

20 The trail was rough
 and the going was tough.
 The prairies of Kansas
 were far West enough.
 John staked out our claim
 one hot day in July.
 as I waited and I watched—
 endless land . . . endless sky . . .

25 Young John was born
 early that fall.
 Next came Mary,
 then Elizabeth . . .
 nine kids in all.

worldly ways of life and had a great deal of common sense something David lacked Not two humans were as different as the two During the course of summer the two boys who met daily at the trash bin got to know each other and decided to do things that the other boy had never done This was against the code of the community which absolutely prohibited whites and nigras from associating with each other in social matters unless the coloreds remained in their place Consequently any kind of activity that the boys participated in had to be done in secret and often at night when they would not be seen together The summer activities were a revelation to both boys and each was exposed to things he had never known all these without their secret being discovered All went well until the week before David left for Austin and Toye Lee returned for his senior year The event that happened that week changed the course of their lives and forced David to make decisions which would affect him for the rest of his life It was a decision in which he consulted three people who had the most influence on his life But in the end it was a decision only he could make Then again the question would always be Did I make the right decision
