

A POLITICAL COMPANION TO
Herman Melville

EDITED BY Jason Frank

A Political Companion To Herman Melville

Jason Frank

A Political Companion To Herman Melville:

A Political Companion to Herman Melville Jason Frank, 2013 Herman Melville is widely considered to be one of America's greatest authors and countless literary theorists and critics have studied his life and work. However, political theorists have tended to avoid Melville, turning rather to such contemporaries as Ralph Waldo Emerson and Henry David Thoreau to understand the political thought of the American Renaissance. While Melville was not an activist in the traditional sense and his philosophy is notoriously difficult to categorize, his work is nevertheless deeply political in its own right. As editor Jason Frank notes in his introduction to *A Political Companion to Herman Melville*, Melville's writing strikes a note of dissonance in the pre-established harmonies of the American political tradition. This unique volume explores Melville's politics by surveying the full range of his work from *Typee* (1846) to the posthumously published *Billy Budd* (1924). The contributors give historical context to Melville's writings and place him in conversation with political and theoretical debates, examining his relationship to transcendentalism and contemporary continental philosophy and addressing his work's relevance to topics such as nineteenth-century imperialism, twentieth-century legal theory, the anti-rent wars of the 1840s, and the civil rights movement. From these analyses emerges a new and challenging portrait of Melville as a political thinker of the first order, one that will establish his importance not only for nineteenth-century American political thought but also for political theory more broadly.

A Political Companion to Herman Melville Jason Frank, 2014-01-07 Herman Melville is widely considered to be one of America's greatest authors and countless literary theorists and critics have studied his life and work. However, political theorists have tended to avoid Melville, turning rather to such contemporaries as Ralph Waldo Emerson and Henry David Thoreau to understand the political thought of the American Renaissance. While Melville was not an activist in the traditional sense and his philosophy is notoriously difficult to categorize, his work is nevertheless deeply political in its own right. As editor Jason Frank notes in his introduction to *A Political Companion to Herman Melville*, Melville's writing strikes a note of dissonance in the pre-established harmonies of the American political tradition. This unique volume explores Melville's politics by surveying the full range of his work from *Typee* (1846) to the posthumously published *Billy Budd* (1924). The contributors give historical context to Melville's writings and place him in conversation with political and theoretical debates, examining his relationship to transcendentalism and contemporary continental philosophy and addressing his work's relevance to topics such as nineteenth-century imperialism, twentieth-century legal theory, the anti-rent wars of the 1840s, and the civil rights movement. From these analyses emerges a new and challenging portrait of Melville as a political thinker of the first order, one that will establish his importance not only for nineteenth-century American political thought but also for political theory more broadly.

A Political Companion to Flannery O'Connor Henry T. Edmondson III, 2017-07-21 Acclaimed author and Catholic thinker Flannery O'Connor (1925-1964) penned two novels, two collections of short stories, various essays, and numerous book reviews over the course of her life. Her work continues to fascinate, perplex,

and inspire new generations of readers and poses important questions about human nature ethics social change equality and justice Although political philosophy was not O Connor s pursuit her writings frequently address themes that are not only crucial to American life and culture but also offer valuable insight into the interplay between fiction and politics **A Political Companion to Flannery O Connor** explores the author s fiction prose and correspondence to reveal her central ideas about political thought in America The contributors address topics such as O Connor s affinity with writers and philosophers including Eric Voegelin Edith Stein Russell Kirk and the Agrarians her attitudes toward the civil rights movement and her thoughts on controversies over eugenics Other essays in the volume focus on O Connor s influences the principles underlying her fiction and the value of her work for understanding contemporary intellectual life and culture Examining the political context of O Connor s life and her responses to the critical events and controversies of her time this collection offers meaningful interpretations of the political significance of this influential writer s work

A Political Companion to Philip Roth Claudia Franziska Brühwiler, Lee Trepanier, 2017-06-23 Philip Roth is widely acknowledged as one of the twentieth century s most prolific and acclaimed writers Roth s first novel *Goodbye Columbus* 1959 received the National Book Award and he followed this stunning debut with more than thirty books earning another National Book Award two National Book Critics Circle awards three PEN Faulkner Awards and the Pulitzer Prize Throughout his career Roth delighted in controversy but often denied that he sought a role as a public intellectual His statements and vigorous support of suppressed writers in communist Czechoslovakia however tell a different story In *A Political Companion to Philip Roth* established and rising scholars explore the myriad political themes in the author s work Several of the contributors examine Roth s writings on Jewish identity Zionism and American attitudes toward Israel as well as the influence of his work in other countries Others investigate Roth s articulation of the roles of gender and sexuality in US culture This interdisciplinary examination offers a more complete portrait of Roth as a public intellectual and cultural icon Not only will it fill a gap in scholarship but it will also provide a broader perspective on the nature and purpose of the acclaimed writer s political thought

A Political Companion to James Baldwin Susan J. McWilliams, 2017-11-15 In seminal works such as *Go Tell It on the Mountain* *Notes of a Native Son* and *The Fire Next Time* acclaimed author and social critic James Baldwin 1924 1987 expresses his profound belief that writers have the power to transform society to engage the public and to inspire and channel conversation to achieve lasting change While Baldwin is best known for his writings on racial consciousness and injustice he is also one of the country s most eloquent theorists of democratic life and the national psyche In *A Political Companion to James Baldwin* a group of prominent scholars assess the prolific author s relevance to present day political challenges Together they address Baldwin as a democratic theorist activist and citizen examining his writings on the civil rights movement religion homosexuality and women s rights They investigate the ways in which his work speaks to and galvanizes a collective American polity and explore his views on the political implications of individual experience in relation to race and gender

This volume not only considers Baldwin's works within their own historical context but also applies the author's insights to recent events such as the Obama presidency and the Black Lives Matter movement emphasizing his faith in the connections between the past and present. These incisive essays will encourage a new reading of Baldwin that celebrates his significant contributions to political and democratic theory.

A New Companion to Herman Melville Wyn Kelley, Christopher Ohge, 2022-08-29 Discover a fascinating new set of perspectives on the life and work of Herman Melville. *A New Companion to Herman Melville* delivers an insightful examination of Melville for the twenty-first century. Building on the success of the first Blackwell Companion to Herman Melville and offering a variety of tools for reading, writing, and teaching Melville and other authors, this New Companion offers critical, technological, and aesthetic practices that can be employed to read Melville in exciting and revelatory ways. Editors Wyn Kelley and Christopher Ohge create a framework that reflects a pluralistic model for humanities teaching and research. In doing so, the contributing authors highlight the ways in which Melville himself was concerned with the utility of tools within fluid circuits of meaning and how those ideas are embodied, enacted, and mediated. In addition to considering critical theories of race, gender, sexuality, religion, transatlantic and hemispheric studies, digital humanities, book history, neurodiversity, and new biography and reception studies, this book offers a thorough introduction to the life of Melville as well as the twentieth and twenty-first century revivals of his work. Comprehensive explorations of Melville's works including *Moby-Dick*, *Pierre*, *Piazza Tales*, and *Israel Potter*, as well as his poems and poetic masterpiece *Clarel*. Practical discussions of material books, print culture, and digital technologies as applied to Melville. In-depth examinations of Melville's treatment of the natural world. Two symposium sections with concise reflections on art and adaptation and on teaching and public engagement. *A New Companion to Herman Melville* provides essential reading for scholars and students ranging from undergraduate and graduate students to more advanced scholars and specialists in the field.

A Political Companion to Frederick Douglass Neil Roberts, 2018-06-29 A splendid opportunity to rethink Douglass's political thought relevant today given the discourse of white nationalism in the United States. Choice. Frederick Douglass was a writer and public speaker whose impact on America has been long studied by historians and literary critics. Yet as political theorists have focused on the legacies of such notables as W. E. B. Du Bois and Booker T. Washington, Douglass's profound influence on Afro-modern and American political thought has often been undervalued. In an effort to fill this gap in the scholarship on Douglass, editor Neil Roberts and an exciting group of established and rising scholars examine the author's autobiographies, essays, speeches, and novella. Together they illuminate his genius for analyzing and articulating core American ideals such as independence, liberation, individualism, and freedom, particularly in the context of slavery. The contributors explore Douglass's understanding of the self-made American and the way in which he expanded the notion of individual potential by arguing that citizens had a responsibility to improve not only their own situations but also those of their communities. *A Political Companion to Frederick Douglass* also considers the idea of agency investigating Douglass's

passionate insistence that every person in a democracy even a slave possesses an innate ability to act Various essays illuminate Douglass's complex racial politics deconstructing what seems at first to be his surprising aversion to racial pride and others explore and critique concepts of masculinity gender and judgment in his oeuvre The volume concludes with a discussion of Douglass's contributions to pre and post Civil War jurisprudence Rich insights from scholarship both old and new A fine collection Political Theory

A Political Companion to W. E. B. Du Bois Nick Bromell, 2018-03-16 Literary scholars and historians have long considered W E B Du Bois 1868 1963 an extremely influential writer and a powerful cultural critic The author of more than one hundred books hundreds of published articles and founding editor of the NAACP journal *The Crisis* Du Bois has been widely studied for his profound insights on the politics of race and class in America An activist as well as a scholar Du Bois proclaimed I stand in utter shamelessness and say that whatever art I have for writing has been used always for propaganda for gaining the right of black folk to love and enjoy In *A Political Companion to W E B Du Bois* Nick Bromell assembles essays from both new and established scholars from a variety of disciplines to explore Du Bois's contributions to American political thought The contributors establish a conceptual context within which to read the author revealing how richly and variously he engaged with the aesthetic and theological modalities of political thinking and action This volume further reveals how Du Bois's work challenges and revises contemporary political theory providing commentary on the author's strengths and limitations as a theorist for the twenty first century In doing so it helps readers gain an understanding of how Du Bois's work and life continue to stimulate lively and constructive debate about the theory and practice of democracy in America

Herman Melville Corey Evan Thompson, 2021-06-24 This reference work covers both Herman Melville's life and writings It includes a biography and detailed information on his works on the important themes contained therein and on the significant people and places in his life The appendices include suggestions for further reading of both literary and cultural criticism an essay on Melville's lasting cultural influence and information on both the fictional ships in his works and the real life ones on which he sailed

A Political Companion to Henry David Thoreau Jack Turner, 2009-07-17 The writings of Henry David Thoreau 1817 1862 have captivated scholars activists and ecologists for more than a century Less attention has been paid however to the author's political philosophy and its influence on American public life Although Thoreau's doctrine of civil disobedience has long since become a touchstone of world history the greater part of his political legacy has been overlooked With a resurgence of interest in recent years *A Political Companion to Henry David Thoreau* is the first volume focused exclusively on Thoreau's ethical and political thought Jack Turner illuminates the unexamined aspects of Thoreau's political life and writings Combining both new and classic essays this book offers a fresh and comprehensive understanding of Thoreau's politics and includes discussions of subjects ranging from his democratic individualism to the political relevance of his intellectual eccentricity The collection consists of works by sixteen prominent political theorists and includes an extended bibliography on Thoreau's politics *A Political Companion to Henry David Thoreau*

is a landmark reference for anyone seeking a better understanding of Thoreau's complex political philosophy
