A Question Of Character A Life Of John F Kennedy

Marc J. Selverstone

A Question Of Character A Life Of John F Kennedy:

A Question of Character Thomas C. Reeves,1991 Explores the contradiction between JFK's idealistic public image and his flawed private moral life and shows in particular the effects of his father's ruthless political tutelage *A Question of Character* Thomas C. Reeves,1994-03-01 No issue is more hotly debated than how or even if a politician's private life affects his public competence In *A Question of Character* John F Kennedy's two lives public and private are examined to answer this timely question Respected historian and biographer Thomas C Reeves reveals discrepancies between JFK's public persona which has reached mythic proportions and his scandalous private behavior Most illuminating is the constant theme of Joe Kennedy's almost total control of JFK's behavior and politics throughout most of his son's career The John Kennedy who emerges from these pages was not a man of good moral character He was reared not to be good but to win Los Angeles Times Reeves has provided the most truthful and balanced assessment of John F Kennedy to date Written more in sorrow than in anger *A Question of Character* explores the sensitive and difficult question of how people and history itself ought to judge the relationship between personal character and national leadership From the Trade Paperback edition **Coming to Terms with John F. Kennedy** Stephen F. Knott,2022-10-01 Stephen F Knott has spent his life grappling with the legacy of President John F Kennedy JFK was the first president Knott remembers he worked for Ted Kennedy's Senate campaign in 1976 and later he worked at the John F Kennedy Library in Boston Moreover Knott's scholarly work on the American presidency has wrestled with Kennedy's time in office and whether his presidency was ultimately a positive or negative one for the country After initially being a strong Kennedy fan Knott's views began to sour during his time at the Library eventually leading him to become a Reagan Democrat The Trump presidency led Knott to revisit JFK leading him once more to reconsider his views *Coming to Terms with John F Kennedy* offers a nuanced assessment of the thirty fifth president whose legacy and impact people continue to debate to this day Knott examines Kennedy through the lens of five critical issues his interpretation of presidential power his approach to civil rights and his foreign policy toward Cuba the Soviet Union and Vietnam Knott also explores JFK's assassination and the evolving interpretations of his presidency both highly politicized subject matters What emerges is a president as complex as the author's shifting views about him The passage of sixty years from working in the Kennedy Library to a career writing about the American presidency has given Knott a broader view of Kennedy's presidency and allowed him to see how both the Left and the Right and members of the Kennedy family distorted JFK's record for their own purposes Despite the existence of over forty thousand books dealing with the man and his era *Coming to Terms with John F Kennedy* offers something new to say about this brief but important presidency Knott contends that Kennedy's presidency for better or for worse mattered deeply and that whatever his personal flaws Kennedy's lofty rhetoric appealed to what is best in America without invoking the snarling nativism of his least illustrious successor Donald Trump **The Life and Death of John F. Kennedy** Charles River Editors,2025-05-01 In many ways John Fitzgerald

Kennedy and his young family were the perfect embodiment of the 60s. The decade began with a sense of idealism personified by the attractive Kennedy, his beautiful and fashionable wife Jackie and his young children. Months into his presidency, Kennedy exhorted the country to reach for the stars, calling upon the nation to send a man to the Moon and back by the end of the decade. In 1961, Kennedy made it seem like anything was possible, and Americans were eager to believe him. The Kennedy years were fondly and famously labeled Camelot by Jackie herself, suggesting an almost mythical quality about the young President and his family. As it turned out, the 60s closely reflected the glossy idealistic portrayal of John F. Kennedy as well as the uglier truths. The country would achieve Kennedy's goal of a manned moon mission, and the landmark Civil Rights Act of 1964 finally guaranteed minorities their civil rights and restored equality, ensuring that the country would live out the true meaning of its creed. But the idealism and optimism of the decade was quickly shattered, starting with Kennedy's assassination in 1963. The 60s were permanently marred by the Vietnam War, and by the time Robert F. Kennedy and Martin Luther King Jr. were assassinated in 1968, the country was irreversibly jaded. The events of the decade produced protests and countercultures unlike anything the country had seen before, as young people came of age more quickly than ever. The Life and Death of John F. Kennedy: The Remarkable Life and Shocking Assassination of America's Youngest President chronicles the president's life and the assassination that rocked the country. Along with pictures and a bibliography, you will learn about Kennedy's life and death like never before.

John F. Kennedy, Barack Obama, and the Politics of Ethnic Incorporation and Avoidance Robert C. Smith, 2013-03-01 Fascinating look at the challenges faced by John F. Kennedy and Barack Obama in their quests to win the presidency.

A Companion to John F. Kennedy Marc J. Selverstone, 2014-03-24
A COMPANION TO JOHN F. KENNEDY A COMPANION TO JOHN F. KENNEDY Marc J. Selverstone has compiled an indispensable volume of essays on John F. Kennedy and his presidency, written by a stellar cast of scholars. What stands out in sharp relief in this wide-ranging and authoritative book is how consequential were Kennedy's thousand days for the United States and for the world, and how controversial is his legacy. Fredrik Logevall, Stephen and Madeline Anbinder, Professor of History, Cornell University. Marc J. Selverstone has brought together a remarkable group of scholars who illuminate the many important ideas and events that occurred during this brief administration. This book is the best record of the Kennedy years. Alan Brinkley, Allan Nevins, Professor of American History, Columbia University. This collection of talented scholars and their research and thoughts on John F. Kennedy is an invaluable resource, a deeply informed conversation for the ages. Richard Reeves, writer, syndicated columnist, and senior lecturer at the Annenberg School for Communication at the University of Southern California.

John F. Kennedy Ian James Bickerton, 2019-09-04 John F. Kennedy: A Reference Guide to His Life and Works covers all aspects of his life and work. Despite his short tenure in office, Kennedy shaped the domestic and international direction of the nation for decades to come. He is remembered domestically for the hope and encouragement he instilled in the struggle for civil rights, his support for the freedom riders, and for equality for women.

Abroad his memory lives in his handling of the Cold War against an aggressive Soviet Union and such events as the Berlin crisis and Wall his intervention in the Vietnam War the invasion of Cuba and Bay of Pigs disaster the Cuban Missile crisis and the beginnings of space exploration all of which tested the young relatively inexperienced leader Includes a detailed chronology detailing John F Kennedy s life family and work The A to Z section includes family members his handling of the Cold War and such events as the Berlin crisis and Wall his intervention in the Vietnam War the invasion of Cuba and Bay of Pigs disaster the Cuban Missile crisis and the beginnings of space exploration The bibliography includes a list of publications concerning his life and work The index thoroughly cross references the chronological and encyclopedic entries John F. Kennedy Michael E. Meagher Ph.D.,Larry D. Gragg,2011-07-22 This biography examines the life and political career of a president whose idealism and policies continue to impact the world today despite his brief time in office John F Kennedy is revered as one of the United States most iconic and inspirational presidents Among his historic accomplishments however Kennedy was also a human being who made tragic miscalculations in the Bay of Pigs fiasco publicly expressed doubts about democracy and supported the use of fear based tactics to manipulate the American people John F Kennedy A Biography provides background information about the Kennedy family in the early 20th century describes the rise of Joseph P Kennedy as a major figure in American life and chronicles the subsequent emergence of his second son John F Kennedy as a leading figure in American politics The authors provide a fascinating look at how the characteristics of a 23 year old John F Kennedy in 1940 were borne out in his performance as president two decades later **Real Life at the White House** John Whitcomb,Claire Whitcomb,2000 First published in 2000 Routledge is an imprint of Taylor Francis an informa company **Kennedy** Mark White,2013-11-07 An exploration of the creation and development of John F Kennedy s image one of the most powerful and enduring in modern history
