A Question of Choice Sarah Weddington, 2013-03-08 A memoir filled with valuable passionate insights from the lawyer who argued the landmark Roe v Wade case to the Supreme Court Kirkus Reviews More than 40 years ago the highest court in the land handed down a decision that would forever alter the lives of women throughout the United States Roe v Wade became the seminal lawsuit that gave American women the legal right to abortion Weddington just 27 years old in 1973 became a key figure in the reproductive rights movement when she took on the case Here she recounts her remarkable story from her personal experience with abortion and the workforce discrimination she faced in her early career to the judicial proceedings and long journey she has undertaken in fighting for women's rights since As divisive as ever the famous decision is continually threatened by organized pro life groups Weddington compels those who are willing to share the responsibility of protecting choice to follow her plan of action in supporting the legal rights of women A Question of Choice is an eloquent reminder of what Roe truly means that our most private decisions can be made behind the closed doors of our homes with our families and in private conversations with our hearts Former President Bill Clinton

Pro-Choice and Christian Kira Schlesinger, 2017-10-10 Despite the claim by many Christian leaders that the pro life antiabortion position is the only faithful response to the debate about reproductive rights many people of faith find themselves in a murky middle of this supposedly black and white issue Christians who are pro abortion rights are rarely pro abortion However they view the decision to carry a pregnancy to term as one to be made by the woman her medical team her family or personal counsel rather than by politicians Pro Choice and Christian explores the biblical theological political and medical aspects of the debate in order to provide a thoughtful Christian argument for a pro choice position with regard to abortion issues Kira Schlesinger considers relevant Scriptures the politics of abortion in the United States and the human realities making abortion a vital issue of justice and compassion By examining choice from a Christian perspective Schlesinger provides a common vocabulary for discussing faith and reproductive rights

Fighting for Control Lina-Maria Murillo, 2024-12-20 The first birth control clinic in El Paso Texas opened in 1937 Since then Mexican origin women living in the border cities of El Paso and Ciudad Juarez have confronted various interest groups determined to control their reproductive lives including a heavily funded international population control campaign led by Planned Parenthood Federation of America as well as the Catholic Church and Mexican American activists Uncovering nearly one hundred years of struggle Lina Maria Murillo reveals how Mexican origin women on both sides of the border fought to reclaim autonomy and care for themselves and their communities Faced with a family planning movement steeped in eugenic ideology working class Mexican origin women strategically demanded additional health services and then formed their own clinics to provide care on their own terms Along the way they developed what Murillo calls reproductive care quotidian acts of community solidarity as activists organized for better housing education wages as well as access to birth control abortion and more Centering the agency of these women and communities

Murillo lays bare Mexican origin women's long battle for human dignity and power in the borderlands as reproductive freedom in Texas once again hangs in the balance Congressional Record United States. Congress, 2001 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Twilight of Social Conservatism** John Dombrink, 2015-08-14 Despite many Americans triumphant proclamations that Barack Obama's 2008 and 2012 elections signified a post partisan post racial society it seems that the United States is more divided than ever From the rise of the Tea Party to strident anti immigration and anti welfare movements to the so called war on women the United States on its surface appears to be caught in the turmoil of a culture war that has not relented since the Reagan era But as John Dombrink writes in *The Twilight of Social Conservatism* the conservative backlash seen during Obama's presidency is indicative not of a rising social conservative force in society but of a waning one Drawing on demographic research political polls contemporary media and internet commentary Dombrink demonstrates that the vitality of major social conservative ideas from the culture war era has faded Support for once divisive wedge issues like same sex marriage and reproductive rights has increased dramatically and Americans particularly young Americans are less religious and more libertarian than ever before As he traces the end of the culture wars and the unwedding of American politics over the last eight years Dombrink is quick to caution that social conservatism has not disappeared entirely from view Nevertheless the once prominent Moral Majority pushing for dominance in American culture is now reconsidering itself as a minority and Dombrink argues that it is unlikely that social conservative forces will ever regain the power and potency they once held in American politics A comprehensive and insightful work *The Twilight of Social Conservatism* deftly analyzes the liberalizing trends that created the social and political culture America has today and that portend to the culture America will have in years to come *Oral History and Education* Kristina R.
