A Reasonable God Engaging The New Face Of Atheism

Wesley J. Wildman

A Reasonable God Engaging The New Face Of Atheism:

A Reasonable God Gregory E Ganssle, 2020-11-15 Calmly engaging the philosophical arguments posed by best selling authors Daniel Dennett and Richard Dawkins and to a lesser extent Christopher Hitchens and Sam Harris Gregory Ganssle's *A Reasonable God* is a nuanced charitable and philosophically well informed defense of the existence of God Eschewing the rhetoric and provocative purposes of the New Atheists Ganssle instead lucidly and objectively analyzes each argument on its own philosophical merits to see how persuasive they prove to be Surveying topics including the relationship between faith and reason moral arguments for the existence of God the Darwinian theories of the origin of religion he pays particular attention to and ultimately rejects what he determines is the strongest logical argument against the existence of god posed by the new atheists put forth by Dawkins that our universe resembles more of what an atheistic universe would be like than it does with what a theistic universe would be like *S Lewis vs the New Atheists* Peter S Williams, 2013-02-01 The book will counter the new atheist movement using the arguments of C S Lewis thereby appealing to readers interested in both loci and showing that there is nothing especially new about the new atheism How might C S Lewis the greatest Christian apologist of the twentieth century respond to the twenty first century new atheism of Richard Dawkins Christopher Hitchens and company Might Lewis own journey from atheism to Christian belief illuminate and undercut the objections of the new atheists Christian philosopher Peter S Williams takes us on an intellectual journey through Lewis conversion in conversation with today's anti theists This book shows the breadth depth and durability of Lewis's Christian apologetics Michael Ward chaplain at St Peter's College Oxford **A New Theist Response to the New Atheists** Kevin Vallier, Joshua Rasmussen, 2019-11-11 In response to the intellectual movement of New Atheism this volume articulates a New Theist response that has at its core a desire to engage in productive and depolarizing dialogue To ensure this book is of interest to atheists and theists alike a team of experts in the field of philosophy of religion offer an assessment of the strongest New Atheist arguments The chapters address the most pertinent questions about God including politics and morality and each essay shows how a reflective theist might deal with points raised by the New Atheists This volume is a serious academic engagement with the questions asked by New Atheism As such it will be of significant interest to scholars working in the philosophy of religion and theology as well as those engaged in religious studies generally **In Our Own Image** Wesley J. Wildman, 2017-12-15 *In Our Own Image* is a work of comparative philosophical theology It is a study of the roles anthropomorphism and apophaticism play in the construction of conceptual models of ultimate reality Leading scholar Wesley J Wildman considers whether we create our ideas of God He offers a comparative analysis of three major classes of ultimacy models paying particular attention to the way those classes are impacted by anthropomorphism while tracing their relative strengths and weaknesses Wildman provides a constructive theological argument on behalf of an apophatic understanding of ultimate reality showing how this understanding subsumes challenges and relates ultimacy models from the

three classes being compared He describes and compares competing ultimacy models fairly and sympathetically The conclusion is that all models cognitively break on the shoals of ultimate reality but that the ground of being class of models carries us further than the others in regard to the comparative criteria that matter most **Getting at Jesus** Peter S. Williams,2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus

Outgrowing God? Peter S. Williams,2020-09-30 Join a cast of characters with different perspectives thinking through some of the biggest questions in life as they discuss atheist Richard Dawkins s book *Outgrowing God A Beginner s Guide* Written in the form of a dialogue between members of a student book club *Outgrowing God A Beginner s Guide* to Richard Dawkins and the God Debate encourages critical thinking about Professor Dawkins s arguments concerning God Jesus and the Bible *Yale Under God* , **Moral Apologetics for Contemporary Christians** Mark Coppenger,Mark T.

Coppenger,2011 A respected Christian apologist thoughtfully pushes back against critics of the faith as well as cultural relativists arguing that Christianity is morally superior to its competitors and above all true **Is God a Moral Monster?** Paul Copan,2011-01-01 A recent string of popular level books written by the New Atheists have leveled the accusation that the God of the Old Testament is nothing but a bully a murderer and a cosmic child abuser This viewpoint is even making inroads into the church How are Christians to respond to such accusations And how are we to reconcile the seemingly disconnected natures of God portrayed in the two testaments In this timely and readable book apologist Paul Copan takes on some of the most vexing accusations of our time including God is arrogant and jealous God punishes people too harshly God is guilty of ethnic cleansing God oppresses women God endorses slavery Christianity causes violence and more Copan not only answers God s critics he also shows how to read both the Old and New Testaments faithfully seeing an unchanging righteous and loving God in both **Behold the Man** Peter S. Williams,2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism *Behold the Man* presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources *Behold the Man* Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies
