In Whatever Houses We May Visit: An Anthology of Poems That Have Inspired Physicians , *Wordsworth's Poetry, 1815-1845* Tim Fulford, 2019-02-08 The later poetry of William Wordsworth popular in his lifetime and influential on the Victorians has with a few exceptions received little attention from contemporary literary critics In Wordsworth's Poetry 1815 1845 Tim Fulford argues that the later work reveals a mature poet far more varied and surprising than is often acknowledged Examining the most characteristic poems in their historical contexts he shows Wordsworth probing the experiences and perspectives of later life and innovating formally and stylistically He demonstrates how Wordsworth modified his writing in light of conversations with younger poets and learned to acknowledge his debt to women in ways he could not as a young man The older Wordsworth emerges in Fulford's depiction

as a love poet of companionate tenderness rather than passionate lament He also appears as a political poet bitter at capitalist exploitation and at a society in which vanity is rewarded while poverty is blamed Most notably he stands out as a history poet more probing and more clear sighted than any of his time in his understanding of the responsibilities and temptations of all who try to memorialize the past *Corporate Poems* Maheswar Behera, 2019-09-12 Mankind derive pleasure from nature while on work it starts from a farmer in the field to a skilled worker in the factory Similarly highly educated executives of the corporates can derive pleasure from nature and relax their stressful life He has exposure to corporate functioning and has tried to relate the natural phenomenon around us with the need of corporate Life is stressful in modern times while working in any location or for any organisations in responsible positions This may be a state government a PSU or at a private company This is more stressful for any entrepreneurs while running a small farming to managing a giant corporate Man need to live with nature can relate the natural phenomenon with job at site Everyone is enjoying nature but the feelings should continue with us in our own development It should work as tool to improve at job site and in the office It should be used for the development of the organization The corporate executives can improve the traits like creativity innovation strategic thinking and openness and to be extraversion Each poem can help the reader for development of own existing strength for relax from a stressful working life Reader can relate the surrounding to lead a peaceful and healthy life
