A Million Shades Of Gray:

A Million Shades of Grey Cynthia Kadohata, 2012-12-11 Ever since Tin can remember he's wanted to be an elephant trainer. At twelve years old he's the youngest and in his eyes the best elephant handler in his village. Tin can think of nothing he'd rather do than spend all day with his elephant Lady, looking after her and playing together. But Tin's peaceful idyllic life is changed dramatically when the Viet Cong attack his village and he finds himself held hostage by the terrifying soldiers who don't care if he lives or dies. Can Tin find the courage to escape from his captors and save not only his own life but his precious elephants too?

Hopefully her insights and journey will inspire others to take a hold of their tattered lives and stitch them back together with strength and forgiveness so they can complete their puzzle. About the Author Ghetta Gripp has been a professional dancer, attended stunt school, was a personal assistant to major players in both entertainment and construction, and worked in theater doing props and set dressing. But after suffering from a broken neck at 40, her life became more meaningful.
