A Nation Decides The Scottish Referendum In Pictures:

A Nation Decides Mark Barnes, 2014 Relive the Scottish Referendum for Independence with stunning photos and artwork from the campaigns rallies and social media On the 18th September 2014 the world watched as Scotland became the only nation in history to reject Independence As the day arrived there was a surprising surge for people wanting independence which caught the other side of the campaign off guard The general feeling on the Scottish streets was one of extremely nervous anticipation that Independence was nigh As the nation watched the results come in the anticipation was replaced with shock and there was an over whelming sense of heartbreak Over the course of the following days as political promises were broken a new movement and energy grows within Scotland Scotland may not be Independent yet but it lives to fight another day

A Nation in Crisis Neville Kirk, 2023-10-05 Since the 2007 8 financial crisis and its aftershocks international capitalism has once again been in crisis The crisis has been particularly marked in the UK and its outcome is currently unclear Based upon a wealth of sources from newspapers journals government political party and polling organisation publications as well as archival and secondary material Neville Kirk examines the systemic crisis facing the nations of the UK The book traces the crisis from the period following the 2016 EU referendum up to 2022 a period during which the crisis intensified and became more widespread Kirk covers the elections of 2017 and 2019 political fragmentation Scottish nationalism Brexit the coronavirus pandemic continuing economic problems and conflicts around class gender race and nation Finally the book considers competing pathways out of the current impasse Through his thorough examination of the UK's main political parties and players Kirk offers the reader a new and original understanding of how we reached the present situation

Scotland's Referendum and the Media Neil Blain, 2016-02-12 After the Referendum on whether Scotland should become an independent country in September 2014 and following a momentous mobilisation of voters by both the Yes and No campaigns Scotland's political environment has been fundamentally energised But how was the Referendum campaign reported and structured in the media in Scotland the wider United Kingdom and in other parts of the world and was it a matter of construction rather than representation In this book scholars commentators and journalists from Britain Europe and beyond examine how the media across the world presented the debate itself and the shifting nature of Scottish and British identity which that debate revealed Several of the contributors also explore how the emphases and constructions which were put on the debate in their particular countries illuminated these countries own responses to nationalism and separatism The consequences of the Referendum's No result are traced in the media through until the May general election of 2015

The Routledge Handbook to Referendums and Direct Democracy Laurence Morel, Matt Qvortrup, 2017-12-12 Over the last 30 years referendums have played an increasingly important role in determining government policy Recent high profile referendums in Scotland Catalonia and Ukraine have continued the movement towards independence referendums following decolonization and the end of the Cold War The Greek bailout referendum and

Britain's vote on membership of the EU reflects a tradition of European states giving their people a direct say in the transfer of sovereign powers to the European Union seen through the ratification of key treaties such as Maastricht, Amsterdam, Nice and Lisbon. This Routledge Handbook covers key aspects and issues of direct democracy and referendums throughout the world including their history, when, why, where, how, and on which issues referendums are held, why some referendums are more democratic than others, how referendums are won, whether they produce good policies, if referendums increase participation and improve the quality of representative democracies, do referendums increase trust in democracy, and the political actors, the impact of new technology on the possibilities, methods, and frequency of direct public political participation, how they should be regulated. Covering other related areas such as recall, citizen juries, and random selection, this compendium is an indispensable guide to referendums and the workings of modern democracy. **Understanding**

Sport John Horne, Alan Tomlinson, Garry Whannel, Kath Woodward, 2012-08-21 In the decade or more since publication of the first edition of *Understanding Sport*, both sport and wider global society have undergone profound change. In this fully updated, revised, and expanded edition of their classic textbook, John Horne, Alan Tomlinson, Garry Whannel, and Kath Woodward offer a critical and reflective introduction to the relationship between sport and contemporary society and explain how sport remains an important agent and symptom of socio-cultural change. Fully integrating historical, sociological, political, and cultural analysis, the book covers every key topic in the study of sport and society, including debate, interpretation, and theory, sport and the media, sport and the body, sport and politics, commercialization, globalization. Retaining the accessibility and scholarly rigour for which *Understanding Sport* has always been renowned, this new edition includes entirely new chapters on global transformations, sports mega-events, and sites, sporting bodies, and governance, as well as a succinct guide to researching sport. With review and seminar questions included in every chapter, plus concise, helpful guides to further reading, *Understanding Sport* remains an essential textbook for all courses on sport and society, the sociology of sport, sport and social theory, or social issues in sport. British Cinema of the 90s Robert Murphy, 2019-07-25 This work examines major box office hits like *The Full Monty*, as well as critically acclaimed films like *Under the Skin*. It explores the role of distribution and exhibition, the Americanisation of British film culture, Hollywood, and Europe, changing representations of sexuality and ethnicity.
