A New Beginning In Life By Gods Grace:

Bonhoeffer's New Beginning Andrew D. DeCort, 2018-09-15 Bonhoeffer's New Beginning investigates the ethics of making new beginnings after devastating moral rupture. The work argues that new beginnings must be made in order to sustain the fundamental convictions that it is good to exist and that life in the world with others should be loved without exclusion. Bonhoeffer's ethics of new beginning is set in conversation with the thought of four moral philosophers: Friedrich Nietzsche, Hannah Arendt, Jonathan Glover, and Jonathan Lear. DeCort argues that Bonhoeffer's ethics of new beginning opens and energizes a more promising world affirming moral vision with radical hope for new beginnings vis-à-vis the perceived absence of God in the face of devastation. Teaching the Bible how to repent and change thru Jesus Christ and many did. Many miracles happened. When in Louisville there were miracles too. Three electricians changed, born again. One I will never forget; he is in the book. He was the representative business agent of about 1200 electricians. One day in his office talking to him being good friends, he started cursing using God's name. Chuck, I am a Christian and I do not like it and God does not either. He answered back, "Blankety blank, do not care." Then lightning struck next to his desk. We jumped and he said, "I am Sorry LORD, the full story is in the book and took many steps for him to get reborn. We went outside where it struck and there's no sign of rain or clouds. GOD showed His Power that day and in time, couple years later in Chuck's life to change to reading and believing. The last part of the book is 33 messages inspired by God's words. Had many, but these I chosen the best ones if the reader wants to study them."
