McGovern, 2010-04-01 It is generally accepted that since the end of Vatican II there has been a crisis in the Catholic priesthood This is reflected in two areas in particular defections from the priesthood and a serious decline in vocations primarily in the developed countries of the West John Paul II has addressed this situation many times during his pontificate especially in *Pastores dabo vobis* where he offers a clear theological vision and a program of formation to overcome the current crisis of priestly identity In his new book McGovern offers a deep analysis of the Pope's theology of priesthood drawing not only from *Pastores dabo vobis* but also from his Holy Thursday Letters and other important writings on this topic In this study the author deals with core aspects of priestly identity under three main headings theological spiritual and pastoral in the context of service to the lay faithful and the evangelization required of the Church in the new millennium *The Ministry of the Word, Vol. 29, No. 02: Experiencing, Enjoying, and Expressing Christ (2)* Various Authors, 2025-03-05 This issue of *The Ministry of the Word* contains a complete record of the twelve messages given during the December 2024 semiannual training held in Anaheim California The subject of the training was Experiencing Enjoying and Expressing Christ 2 The Key Statements on the following page embody and summarize the crucial truths and main burdens covered in these twelve messages The Reports and Announcements section contains information concerning upcoming conferences and trainings hosted by Living Stream Ministry plus a website link to information on similar events in Europe and Israel [Doors to Life!
