**A Practical Guide to Sermon Preparation** Jerry Vines, 1989      **Power in the Pulpit** Jerry Vines, James L. Shaddix, 1999-06-10 The call to preach is just that a call to preach The call to preach however is more than just preaching The call to preach is a call to prepare Too many pastors have refrained from preparation while they await the Holy Spirit to do all of the work God expects preachers to prepare sermons as much as possible and allow Him to prepare the preachers Join Dr Jerry Vines and Dr Jim Shaddix as they achieve a balanced approach to teaching sermon preparation in **Power in the Pulpit** This book combines the essential perspectives of a pastor of forty years with another pastor who also devotes daily time to training pastors in the context of theological education Thus **Power in the Pulpit** is a practical preaching help from a pastoral perspective in the tradition where expository preaching is a paramount and frequent event in the life of the local church **Power in the Pulpit** is the combined work of Dr Vines's two earlier publications on preaching **A Practical Guide to Sermon Preparation** Moody Press 1985 and **A Guide to Effective Sermon Delivery** Moody Press 1986 Dr Shaddix carefully organizes and supplements the material to offer this useful resource which closes the gap between classroom theory and what a pastor experiences in his weekly sermon preparation      *Getting Ready for Sunday's Sermon* Martin Thielen, 1990-01-01      **Preaching Sticky Sermons** Brandon Kelley, Joe Hoagland, 2016-12-21      Homiletical Handbook Donald L. Hamilton, 1992-10-01 Homiletical Handbook is a primer for those who are called to preach It is intentionally simple in its explanation of the homiletical task and straightforward in getting to the point It is solid in its theology and biblical in its approach      *By the Book* Nomer Bernardino,      *Using Illustrations to Preach with Power (Revised Edition)* Bryan Chapell, 2001-04-04 If the apostle Paul had not punctuated his words with images of the armor of God or the racecourse would we so easily remember his instruction The march on Washington might have become nothing more than a ragged hike across a majestic mall if Martin Luther King Jr had not led us through a dream and onto a mountaintop Such is the power of illustrations They contain a hidden dynamic of living that captures our attention and furthers our understanding in a way that no other sermonic tool can match Can they be overused and their purpose abused Yes and by many they are But to eliminate them completely would be unwise maintains Bryan Chapell Instead he responds to those concerns by reviewing the theory behind illustrations sharing why they're important and demonstrating how you can use them effectively in your biblical preaching This book clearly affirms that illustrations are integral to powerful preaching not because they entertain but because they expand and deepen applications in the lives of your listeners They infuse your words with life without comprising the message making the truth of the Word ring clearly in people's hearts long after your sermon is done      A Practical Guide for Life and Ministry David Horner, 2008-03 Examining his thirty years of pastoral ministry Horner mines seven key challenges that pastors must face well in order to restore and maintain a healthy balance      **Christ-Centered Preaching** Bryan Chapell, 2005-03-01 This complete guide to expository preaching teaches the basics of preparation

organization and delivery the trademarks of great preaching With the help of charts and creative learning exercises Chapell shows how expository preaching can reveal the redemptive aims of Scripture and offers a comprehensive approach to the theory and practice of preaching He also provides help for special preaching situations The second edition contains updates and clarifications allowing this classic to continue to serve the needs of budding preachers Numerous appendixes address many practical issues

**Clearing the Fog from the Pulpit to the Pew (Effective Expository Preaching)** Alvin Low, 2006-09-29 How is your preaching Are people getting the message In *Clearing the Fog from the Pulpit to the Pew* Dr Alvin Low reveals timeless truths that will help you have clarity in the purpose and structure of your sermon allow you to make your central idea clear and develop a captivating presence in your delivery If you desire to be an effective communicator of Biblical truth come explore the heart of Dr Low in these pages
