Evangelism and the Openness of God Vaughn W. Baker, 2012-12-18 In Evangelism and the Openness of God Vaughn Baker argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Open theism affirms an ontology of love as opposed to power and it focuses on God s kenosis in creation allowing for the authentic freedom of creation influenced by divine persuasion God s genuine temporal relationship with creation one that is open synergist and non coercive provides a new perspective for evangelistic activity In this volume the author has made a valuable contribution to the integration of new developments in theology and evangelism

Christian Marriage David Ayers, 2019-02-06 Why should we care about marriage There is a lot of confusion about the purpose of marriage today outside the church as well as within it Written by a distinguished Christian sociologist Christian Marriage is a theologically rich biblically robust and sociologically informed treatise on the nature and value of marriage Drawing on recent social science research empirical data and social history Ayers paints a picture of marriage as an institution meant for human flourishing Along the way Ayers addresses such topics as Dating and selection of a spouse The importance of premarital counseling Sex and procreation Mentoring and supporting unmarried believers Divorce and remarriage And current controversies surrounding premarital sex and same sex marriage Though the book is academically and theologically informed it is written with a pastoral heart It seeks to provide a rich resource for pastors and counselors on a topic of supreme importance to a vibrant church and society

Being in Christ

Hans Burger,2009-01-01 Being in Christ is a central theme in the message of the gospel It is central for understanding the relation of Christian believers and the church with Jesus Christ their Lord It determines the identity of a Christian It is helpful for understanding the presence of Christ and his salvation in the present It can be developed as an element of a theological ontology Finally it is a theme with a great integrating power In this book the theme being in Christ is analyzed in different perspectives The attention is focused on the reality of being in Christ its ontological implications First two representatives of the Reformed tradition are investigated the English Puritan John Owen and the Dutch Neo Calvinist Herman Bavinck Second a reconstruction of the Pauline and Johannine perspectives on being in Christ is provided Third the theme is examined in the work of the English ethicist Oliver O Donovan and the German Swiss theologian Ingolf U Dalferth In the final chapter the author gives his own systematic theological proposal of a concept of being in Christ **Contending for**

our all JOHN PIPER,2020-05-21 Every Christian needs dependable role models to whom one can look for teaching and example Many of the greatest role models have departed from this life but their legacy lives on Believers of this day and age can learn much about a godly life from saints of the past Athanasius John Owen and J Gresham Machen are three such saints Each stood for the truth of God s Word in the face of opposition all out of a deep love for Christ and a desire for people to know God as he truly is Popularity was not a concern and they took no joy in controversy for argument s sake However these men were willing to suffer for the sake of guarding the sanctity of the gospel Many threats years of exile deaths of loved ones opposition from friends and authorities sickness and pain none of these setbacks could keep these three from maintaining their efforts for the furthering of Christ s Kingdom or quench their zeal for Christ himself John Piper s Contending for Our All gives us biographies of Athanasius John Owen and J Gresham Machen bishop pastor and seminary founder In the life of each one personal holiness was emphasized publicly and privately despite suffering They were true soldiers for the sake of the cross and each man offers life lessons for Christians today **The Reformed and Celibate Pastor** Seth D.

Osborne,2021-12-06 Richard Baxter 1615 1691 was arguably the greatest English Puritan of the seventeenth century He is well known for his ministerial manual The Reformed Pastor in which he expressed the unusual conviction that parish ministers were better off unmarried And yet Baxter seemed to contradict himself by marrying one of his parishioners Margaret Charlton Though Baxter claimed to be happily married he continued to champion celibacy for the rest of his life This book explores Baxter s argument for clerical celibacy by placing it in the context of his life and the turbulent events of seventeenth century England His viewpoint was shaped by several factors including the Puritan literature he read the context of his parish ministry his burdensome model of soul care and the formative life experiences shaping his theology and perspective These factors not only explain why Baxter became the only Puritan to champion clerical celibacy but also why he continued to do so even after marrying Puritanism and the Pursuit of Happiness S. Bryn Roberts,2015 Reveals a much neglected strand of puritan theology which emphasised the importance of inner happiness and personal piety *Themelios*,
