Dustin,J. Ziegler,2016-04-30 A collaborative undertaking between an artist and a philosopher this monograph attempts to deepen our understanding of contemplative seeing by addressing the works of Plato Thoreau Heidegger and more The authors explore what it means to see reality and contemplate how viewing reality philosophically and artfully is a form of spirituality In this way by developing a new conception of active visual engagement the authors propose a way of seeing that unites both critical scrutiny and spiritual involvement as opposed to simple passive reception **The Magic of**

**Imperfection** Jason F. McLennan,2025-09-09 Break free from perfectionism and finish your creative projects This unconventional guide shows you how to overcome creative blocks and finally complete your work through strategic

imperfection The world is full of creative people So why do some get their ideas out in the world while others don't Why are some incredibly prolific while others struggle with deadlines or can't complete projects In this book Jason F McLennan a master in getting stuff done shares secrets to boosting productivity innovation and personal success By adopting his 3 4 baked philosophy and the key lessons that surround it readers will be able to dramatically increase their output while also keeping their creative juices flowing McLennan's recipe for creative success includes the following ideas Look forward to failure Discover the power of feedback Learn to become a trim tab Harness the power of momentum to drive creativity We've all heard the phrase the perfect is the enemy of the good Perfection is often what holds so many people back Trying to reach it means that nothing much can get completed and inspiration itself is often blocked as people either procrastinate or endlessly self edit By chasing perfection it remains elusively further away The world is full of half baked ideas but almost no perfect ones With *The Magic of Imperfection* readers will learn how to seriously amp up what they do how fast they do it and simultaneously how well it gets done

**Sawdust and Soul** William Johnson Everett, John W. de Gruchy, 2014-12-16 An American ethicist and a South African theologian reflect on their work with wood and how it has helped them find creativity and meaning in experiences of both loss and transformation Through their friendship correspondence and work together they have developed a rich narrative about the way this craftwork has shaped their relationships with family friends and their natural environment Their conversation invites both craftspeople and religious seekers to join them on a spiritual journey toward fresh insight and inspiration
