Indian Review of Books ,1997 *Forget English!* Aamir R. Mufti,2016-02-16 World literature advocates have promised to move humanistic study beyond postcolonial theory and antiquated paradigms of national literary traditions Aamir Mufti scrutinizes these claims and critiques the continuing dominance of English as both a literary language and the undisputed cultural system of global capitalism **International Books in Print** ,1991 **Indian Books in Print** ,2001 **New Writing in India** Adil Jussawalla,2025-08-30 Adil Jussawalla's anthology of Indian writing was first published in 1974 Today more than half a century later it remains one of the landmarks of our literature featuring writers from various Indian languages including English whose works have stood the test of time The book traces a map of what Jussawalla calls literary and linguistic cross currents through the writings of Nirmal Verma Hindi Sunil Gangopadhyay Bengali Bhalchandra Nemade Marathi P Lankesh Kannada and Ashokamitran Tamil among other literary greats This anthology challenges the colonial notion of Indian literature as a collection of exotica as well as the terrible misconception that modern Indian writing is an inferior mimicry of Western forms What we have here is a literary record that stands out for the originality of the voices it contains and yet underscores a set of shared themes and artistic concerns that galvanized these writers and brought them together When this book was first published the pieces collected here were barely a decade old and hence were presented under the rubric of New Indian Writing of the time But as Amit Chaudhuri reminds us in his introduction to the anniversary edition the term new in the title is not merely a reference to recency but to a self replenishing revolutionary quality that never diminishes in great literature Ezra Pound once said that literature is news that stays news New Writing in India bears testament to those words and to the multifarious tradition of Indian writing **TISS-NET Exam Preparation Book - 8 Practice Tests, 9 Sectional Tests and 5 Previous Year Papers (1600+ Solved Questions) with Free Access to Online Tests** EduGorilla Prep Experts, **Indian Writing in English and the Global Literary Market** O.
