*A Requiem for a Brand* Pradeep Chandra, 2011-04-06 Drawing from his extensive business management experience Pradeep Chandra turns traditional wisdom on its head when he proposes that brand loyalty is inversely proportional to the income and education levels of the knowledge consumer. He examines how and why brands have become strategic assets, traces the evolution of the knowledge consumer and what companies can do to protect the equity of the brands they have nurtured over decades. A new approach to building brand loyalty that gives marketers a competitive edge in today's high-tech, high-stakes and brand-hostile environment. The book combines the knowledge with engaging real-life case studies and proven examples. *The Lotus*, 1897 *Dictionary Catalog of the Oriental Collection* New York Public Library. Research Libraries, New York Public Library. Reference Department, 1976 *Requiem for a Species* Clive Hamilton, 2011-04-07 This book does not set out once more to raise the alarm to encourage us to take radical measures to head off climate chaos. There have been any number of books and reports in recent years explaining just how dire the future looks and how little time we have left to act. This book is about why we have ignored those warnings and why it is now too late. It is a book about the frailties of the human species as expressed in both the institutions we built and the psychological dispositions that have led us on the path of self-destruction. It is about our strange obsessions, our hubris and our penchant for avoiding the facts. It is the story of a battle within us between the forces that should have caused us to protect the Earth, our capacity to reason and our connection to Nature and those that in the end have won out: our greed, materialism and alienation from Nature. And it is about the 21st-century consequences of these failures. Clive Hamilton is author of the bestselling *Affluenza* and *Growth Fetish*. *Scorcher* and most recently *Freedom Paradox*. ***Picturesque Detroit and Environs*** Charles Forbes Warner, 1883 ***The Edinburgh Annual Register*** Walter Scott, 1810 ***Paint, Oil and Chemical Review ...***, 1913 ***Paint, Oil and Drug Review***, 1913 *Saturday Review of Literature*, 1927 ***Billboard***, 1961-05-08 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.
